1. Aims

We understand that in order to fulfil our vision that through our Christian values, all members of St George's are aspirational and seek to positively impact upon each other and society, a high-quality careers pathway is an essential layer of support. Through this policy, our robust and clearly sequenced career provision will enable pupils to flourish and contribute to a world where they're inspired by St Paul's words:

'Be devoted to one another in love. Honour one another above yourselves' Romans 12:10

This policy aims to set out our school's provision of impartial and informed careers guidance for our pupils. This includes the ways in which pupils, parents, teachers and employers can access information about our careers programme.

High-quality careers guidance is important for our pupils' futures and our provision aims to:

- Help pupils prepare for the workplace, by building self-development and career management skills
- Provide experience and a clear understanding of the working world
- Develop pupils' awareness of the variety of education, training and careers opportunities available to them
- Help pupils to understand routes to careers that they're interested in, and to make informed choices about their next step in education or training
- Promote a culture of high aspirations and equality of opportunity

2. Statutory requirements

This policy is based on the Department for Education's (DfE's) statutory [Careers guidance and access for education and training providers](https://www.gov.uk/government/publications/careers-guidance-provision-for-young-people-in-schools). And careers provisions <https://www.gov.uk/government/publications/careers-guidance-provision-for-young-people-in-schools>

This guidance refers to:

- The Education Act 1997
- The Education and Skills Act 2008
- The School Information (*England) Regulations 2008

This policy is also in line with the more recent [Skills and Post-16 Act 2022](#), which came into force on **1 January 2023**. It explains that schools must provide a minimum of **6 encounters** with technical education or training providers to all pupils in years 8 to 13.

Between years 8 and 9, pupils at St George's will have a minimum 2 encounters, followed by a further 2 encounters between years 10 and 11.

This policy is also in line with the Education (Careers Guidance in Schools) Act 2022. This came into force on 1 September 2022, and amended the existing duty in The Education Act 1997, so that:

- Our school must now secure independent careers guidance from year 7 (instead of from year 8, previously)

The above guidance requires that schools publish information about their careers programme on their website. This policy includes this information and shows how our school complies with this requirement.

We also act in line with our statutory duty under the 'Baker Clause', to be impartial and not show bias towards any route, be that academic or technical. This policy should be read in conjunction with our provider access policy statement, which sets out how our school meets this duty, and can be found on our school website.

More recently, 'The Good Career Guidance: The next ten years' was released on 19th November 2024 and the careers team are ensuring that updates to the school's career programme will be embedded to allow all pupils to flourish under the new guidance.
