1. Aims

In accordance with Section 33 of the Schools Funding Agreement, the Academy Trust is required to determine the charging and remissions policies required to address Section 457 of the Education Act 1996 and for these to be approved by the Secretary of State for Education.

The Governing Body recognises the valuable contribution that the wide range of activities including clubs, trips, and residential experiences can make towards a pupils' personal and social education.

The Governing Body aims to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the Academy and as additional optional activities.

This policy at St George's will complement our ethos Christian Distinctiveness by ensuring all pupils are treated with dignity and kindness and adjustments are made for families to ensure they flourish

2. Legislation, statutory requirements and statutory guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

It's also based on guidance from the DfE on [statutory policies for schools and academy trusts](#).

This policy complies with our funding agreement and articles of association.

General

- The cost of repairing damage and replacing equipment (lost, defaced or damaged) remains the responsibility of the parents when this damage or loss is the result of their child's behaviour or negligence.
- The Governing Body may from time to time amend the categories of activity which a charge may be made.
- Nothing in this policy precludes the Governing Body from inviting parents to make a voluntary contribution towards the cost of providing education for pupils.

6.3 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

Education provided outside of school time that is not part of:

- The National Curriculum
- A syllabus for a prescribed public examination that the pupil is being prepared for at the school
- Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school
- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority or governing board has arranged for the pupil to be provided with education)
- Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

6.4 Residential visits

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

7. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents to fund activities which would not otherwise be possible.

8. Remissions

8.1 The Governing Body will remit in full the cost of board and lodgings for any residential activity that it organises for the pupil if the activity is deemed to take place within the school hours or where it forms part of the syllabus for a prescribed public examination or the National Curriculum.

8.2 Charges will not be made where a pupil is in receipt of (or registered for) Pupil Premium. The nationally agreed criteria for which the family is in receipt of:-

- Income Support.
- Income based Job Seeker's Allowance.
- Income related Employment and Support Allowance.
- Guarantee element of State Pension Credit.
- Child Tax Credit as long as the individual is not in receipt of Working Tax Credit.
- If supported by Part IV of the Immigration and Asylum Act 1999.
- Working Tax Credit during the four-week period immediately after employment finishes or after starting work less than 16 hours per week.
- Incapacity Benefit or Widowed Parent's Allowance.
- Other exceptional circumstances not falling within the criteria above.

Charging in Kind

The cost of ingredients, materials, equipment etc. needed for practical subjects

such as craft or food technology, must be budgeted for and borne by the Academy. Parents who are willing to contribute in kind can however be encouraged to do so, on a voluntary basis.

The school may charge for, or require the supply of, ingredients and materials if parents have indicated in advance a wish to own the finished product, if there is one. Schools should obtain written confirmation from parents that they wish to supply or pay for materials on this basis. Pupils must not be treated differently according to whether or not materials are being provided by their parents. The Governors will make their policy on this clear. It should be recognised that much of the practical work in craft or food technology is of an investigative nature and will not necessarily result in a "finished product" however this is an essential part of the learning process.

Breakages and Vandalism

There is nothing to prevent the Academy from asking parents to pay for the cost of replacing a broken window or defaced, damaged or lost textbook where this is the result of a pupil's behaviour. In the event of non-payment, court action may be taken if it is economically viable.

In other circumstances, there may be cases of family hardship which make it difficult for pupils to take part in particular activities for which a charge is made. When arranging a chargeable activity the Governing Body will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of the remission will be made by the Headteacher in consultation with the Chair of Governors.

Voluntary contributions

The Trust will seek voluntary contributions for any activity in order to benefit the Trust or support a Trust activity whether during or outside school hours, residential or non-residential and including inviting parents to pay for materials or ingredients where they wish to own the finished product.

However all requests for voluntary contributions will emphasise their voluntary nature and the fact that pupils of parents who do not make such contributions will be treated no differently from those who have contributed. Such contributions will be genuinely voluntary. There is no limit to the level of voluntary contributions which parents or others can make to school activities, nor is there any restriction placed on the use which can be made of such contributions, provided they are used for the purpose specified in the request for them. They could, for example, be used to subsidise pupils from low-income families, or the cost of travel for accompanying teachers.

The Law says that:

- If the activity cannot be funded without voluntary contributions the parents will be notified of this from the outset.
- No child will be excluded from an activity because the parents are unable to pay.

- If insufficient contributions are raised the trip or activity may have to be canceled.
- If a parent is unwilling or unable to pay their child will be given an equal chance to go on the visit.

9. Monitoring arrangements

The Headteacher monitors charges and remissions, and ensures these comply with this policy.

This policy will be reviewed by the headteacher every year

At every review, the policy will be approved by the governing committee
