4<sup>th</sup> October 2022

Dear Parent/ Carer

### Option Choices

We are asking our Year 9 pupils to make their option choices. We know this is a very exciting and sometimes anxious time for your child, but we would like to reassure you that we are here to offer help and advice along the way.

In Year 10 all pupils will continue to study English, Maths, Science & Religious Education to GCSE level, along with Core Physical Education.

Pupils must now select three further subjects to study in Year 10 and Year 11, one of these choices must be either Geography or History, the others are a free choice of the Key Stage 4 subjects we offer.

Our options booklet, which has been sent to you along with this letter, gives a comprehensive guide regarding the additional subjects available.

We would like you to spend some time with your child discussing the subjects that are available and the path they would like to follow. We highly recommend that pupils pick subjects they enjoy or have a particular interest in and not because they like the teacher or their friends may be choosing that subject.

Once you and your child have chosen the subjects that they would like to study, please could you follow the link below to complete a google form with their two choices. Please can this be completed by Monday 17<sup>th</sup> October.

Selecting the option does not guarantee that it will be offered, although we will attempt to accommodate everyone with their option choices, this is not always possible. If we need to make changes to option choices we will discuss this with you and your child.
