

At St George's, Prayer is an integral part of our life in school, and something in which we can all choose to participate. In morning meetings, pupils are invited to begin each day with prayer and reflection in tutor groups or year-group worship, and close the day by saying the Grace together too. The staff are also invited to begin their days with prayer, we pray as part of events, meetings and activities, and many are praying throughout the day.

Prayer is powerful, and so, we're keen to be praying not just for the things that are concerning our Pupils, Staff and Governors, but also Parents and the wider community of the Blackpool area.

Please email your prayer requests to <https://forms.gle/cZQCDjbiEt2ifYBE6> and we will ensure that the school community is praying.

These can be anonymous, and you don't need to give any specifics if you'd prefer. Whether it's thanking God for something or a burden we can help to bear, please let us know so we can pray.

The St George's Prayer table is displayed in our Chapel. Each day prayers can be added by staff and students alike, asking our community to pray for those who are in our hearts or in our minds. We offer these prayers up collectively during worship, morning meetings and at lunchtime and encourage everyone who comes into the Chapel to take a moment to read and pray for others too.

As members of the wider Anglican church community, we extend an invitation to you to join us in prayer. Our faith is strengthened by coming together in this way and we believe that through prayer, we can make a positive impact on the world around us. Let us lift up our concerns and give thanks for the blessings in our lives. We believe in the power of prayer and would be honoured to have you join us in this important act of worship by following the link below to daily acts of prayer from the Church of England.
