

St. George's School
A Church of England Academy

Provider Access Policy Statement

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations.

Pupil entitlement

All pupils in Years 7-11 are entitled:

to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point; to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events; to understand how to make applications for the full range of academic and technical courses and apprenticeships.

Management of provider access requests

A provider wishing to request access should contact:

Mrs Tina Milner, Assistant Director for Inclusion & Careers.

Telephone: 01253 316725. Email: tina.milner@cidari.co.uk

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into schools to speak to students and/or their parents/carers.

Year Group Typical Activities

7 Curriculum link activities, PSHE activities, speakers and visitors

8 Curriculum link activities, PSHE activities, speakers and visitors, understanding
