Dear Parents and Carers,

RSE and PSHE Information Evening - 16th January 2024

As you may be aware, the Health Education and Relationships and Sex Education (RSE) aspects of PSHE (personal, social, health and economic) education are compulsory in all secondary schools.

Our programme ensures that every child is guaranteed a PSHE education that covers mental health and wellbeing; physical health (including healthy lifestyles and first aid); learning about safe, healthy relationships and sex (including understanding consent, negotiating life online, intimate relationships).

We are holding an information evening on Tuesday 16th January at 3:45pm including the purpose of our programme and examples of resources used in school.

Should you wish to attend the information session please respond to the google form linked below.
