Dear Parent/Carer,

As our Year 10 pupils prepare to embark on their final year at St George's, we felt it was important to provide the opportunity to discuss progress and development points. For this reason, we have selected Year 10 to trial a new online parents evening system called School Cloud that allows us to facilitate online video meetings.

This will give you the opportunity to discuss your child's progress with each subject teacher. We have decided to amend our original date, and it will be held on Thursday 1st July; pupils will have completed their final assessments, and staff will have the latest and most accurate assessment information available to discuss. There will also be appointments available with Mrs Milner, our Careers Lead, if you wish to discuss any specific post 16 opportunities.

Appointments will be available from 4.00pm - 7.00pm for each subject your child studies. Each appointment is for 3 minutes and 30 seconds and there will be a 30-second break in between.

The booking system is online, and you will be able to select times that suit your schedule. Bookings will be on a first come first served basis. Once you have made appointments, you will receive an email confirming your appointment times.

Further details of how to make your appointments on School Cloud are attached to this letter. You may also find this School Cloud video guide useful: <https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>
