Subject: Year 11 Easter School- Supporting Your Child's Success

Dear Parents/Carers,

As we move closer to the final stage of year 11, we aim to ensure that your child is well-equipped for optimal success in their GCSE examinations. With the upcoming Easter break in sight, we are providing the opportunity for pupils to attend a number of GCSE exam booster sessions from the 9th-11th April to supplement the revision that pupils will be completing at home in preparation for their GCSE examinations that start in May.

Following the Easter break, only **three full school weeks** remain before your child starts their GCSE examinations. It is vital that your child attends and values these Easter booster sessions to provide them with additional support during this critical period. An overview of the timetable is below.

	Tuesday 9 th April	Wednesday 10 th April	Thursday 11 th April
9:00 – 11:45	MATHS	RE SPANISH	GEOGRAPHY BIOLOGY PHYSICS
12:15 – 15:00	HISTORY	ENGLISH LANGUAGE	

Pupils should arrive promptly and enter the school via main reception. All pupils must sign in at the front desk. Pupils are welcome to stay in school between the morning and afternoon sessions, however there will not be any catering staff in school over the Easter break so your child will need to bring their own drinks and snacks.

We would like to take this opportunity to acknowledge the staff who give up their time during the holidays to plan and deliver these additional sessions. Kindly register your child's attendance for each session through this link <https://forms.gle/WUSg5xdfCfvEKumbA> by Wednesday 21st February, to ensure their spot is secured.

Yours faithfully,

Miss A Bowie
Assistant Headteacher
