Year 10 Parents' Evening

Dear Parent/Carer,

We are writing to confirm the details regarding the upcoming Year 10 Parents' Evening; we would like to invite you to school on **Thursday 22nd February 2024**.

The evening will be hosted in our Sports Hall, and teachers will be available from **4.30pm - 7pm (Last entry 6:30pm)**. Please note that the only parking available is at the front of school on a first come, first served basis. As this is an official school event, we would like to clarify expectations.

On arrival, we will ask you to log your attendance using your mobile device. QR codes will be available for you to scan and fill in your child's form group, surname and first name. As the pupils are an important part of this conversation, we ask that they attend the evening. We would like them to participate in the conversations so they have a clear insight into their progress. It is also a good opportunity for them to be part of a formal and official event and involved in professional conversations.

The tables will be set out so teachers are in alphabetical order. They will be spaced apart so that conversations can be private. They will be based behind a desk with chairs in front of them for you to sit at during your meetings. There will be clear places to stand whilst waiting for your meetings with each teacher.

Historically, an appointment system has been challenging to achieve at these events, due to the nature of people missing time slots or over running. We have therefore decided to run a queue system with a first come first served approach. You will have a maximum of 5 minutes with each member of staff before moving onto your next teacher. During these meetings, we ask that other parents wait patiently and away from the teacher desks to allow privacy.
