### **Year 11 Mock Results and Parents' Evening**

Dear Parent/Carer,

We would like to invite you to school on **Thursday 21st March 2024** for our second Parents' evening of the year. You will collect your child's mock exam results and be able to discuss their next steps for their upcoming GCSE examinations.

The evening will be hosted in our Sports Hall, and teachers will be available from **4.30pm - 7pm (Last entry 6:30pm)**. Please note that the only parking available is at the front of school on a first come, first served basis. This will be held in the same way as our previous parents' evening this year; an appointment system will not be in place, instead there will be a queue system with a first come first served approach. Tables will be set out so teachers are in alphabetical order and there is an area for parents to wait away from the teacher desks to allow privacy. You will have a maximum of 5 minutes with each member of staff before moving onto your next teacher.

As pupils are an important part of this conversation, we ask that they attend the evening. We would like them to participate in the conversations so they have a clear insight into their progress and are aware of their targets.

We are excited about the opportunity to meet with you in person and discuss your child's progress. Once again, thank you for your continued support as we strive to provide the best education for our young people.

Yours faithfully,

*G Warnock*
