September 2026

WELCOME BACK

It has been a wonderful start to the new academic year. All of our pupils have settled into their classrooms and new routines.
Thank you to all parents and carers for supporting our school uniform policy. The children are coming to school looking very smart and well equipped for school.

A gentle reminder

We do not allow jewellery in school including earrings. Please support our Uniform Policy and remove your child's earrings each day. Thank you

OUR NEW STARTERS

How lucky we are! What a happy, confident and curious Reception group we have again!

Important reminder

We are a nut free school. Please support us to keep our pupils and staff safe by checking ingredients on packed lunch items, particularly chocolate spread items.
We do have pupils and staff with nut allergies. If we find items of food with nuts in their ingredients, we will remove the item from the packed lunch and keep it in the office and notify parents and carers.
Thank you for your support n this matter.

Teatime Club Arrangements

Please support our booking process with Arbor, so that this provision can run with minimal disruption to the school day.

Teatime Club will run until **5:15pm** and the following sessions will be available:

- **Session 1:** 3:00pm – 4:00pm £3
- **Session 2:** 3:00pm – 5:15pm £7

Booking and Cancellation Policy

To ensure we can effectively plan staffing levels and maintain safe ratios, the following conditions will apply:

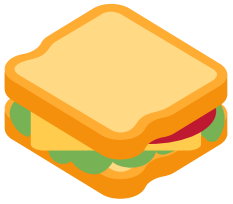

- Sessions must be booked in the previous week using Arbor.
- If you choose to collect your child before the end of the session booked, the **full cost of the booked session will still apply**.
- Any session cancelled **within 24 hours of the booking date** will be charged in full, as staffing arrangements will already have been allocated. The only exception would be if a child is absent on the day.

A letter was sent with all details of the booking process in the Summer term. We will resend the letter today.

As always please reach out to school if you need any support with the booking system on Arbor.

We are working hard to ensure that this provision continues, and that is why it is important that we work together.

Thank you for your support
