

St Gregory's Text Travels

A whole school Reading spine

St. Gregory's Catholic Academy

Our 'Text Travels'

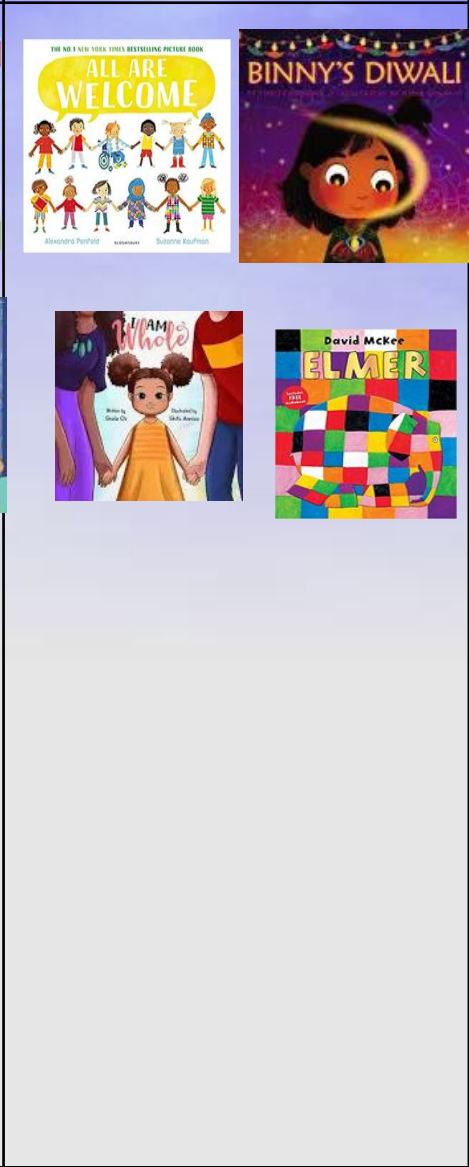

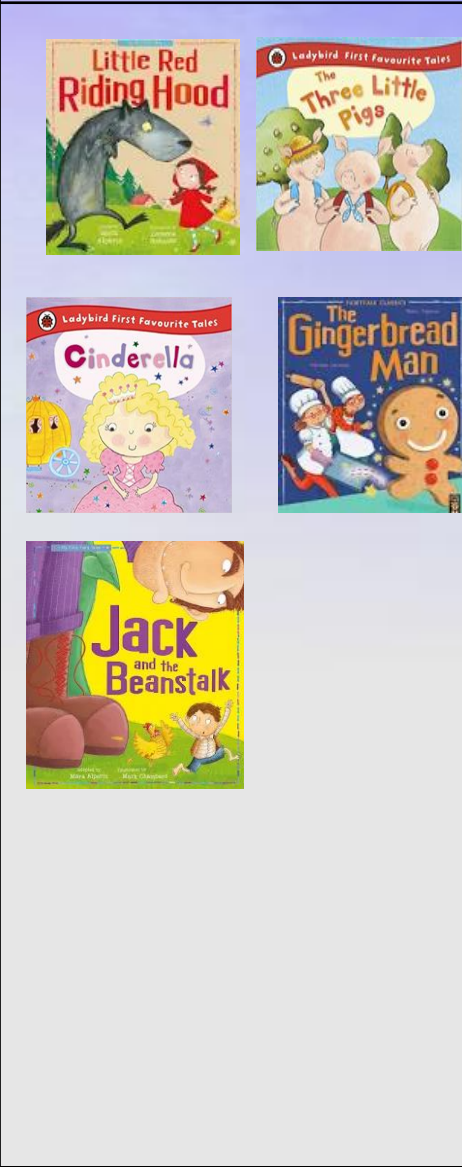

At St Gregory's, children enjoy listening to high-quality texts and share their enjoyment of reading through discussion. On their journey from Nursery to Year 6, our children explore a wide range of core texts. This is our 'Text Travels' spine.

'Text Travels' is part of our approach to fostering a love of reading. The core texts create a living library inside the minds of our children. These are composed of classics and essential reads that help them enter the world of a story and engage with texts at a deeper level. The texts include nursery rhymes, fairy tales, classic stories, poems and books that reflect the social context and diversity of St. Gregory's.

We believe this approach to reading allows our children to make connections between curriculum areas in a meaningful way, enabling them to know more and remember more.

Class	Picture /Story Books	Poetry/Nursery Rhymes	Fairy Tales	Reflecting Diversity
