

Word Families Foldable Books

Let's create some foldable books based on this week's word families!

Cut and glue the pages as directed on the spines.

On Page 1 write the root word on each fold (the first one has been done for you).

On Page 2 write each of your 10 spelling words (the first one has been done for you).

On Page 3 write a sentence with each spelling word in it.

★ ★ Challenge Task ★ ★

There's a space at the bottom of each page for you to add one of your own 'struct' and 'uni' words, a sentence containing that word and a matching picture.

struct

uni

Root Words

structure

unit
