Year 6

Maths and English

Please practise your weekly spellings and ensure that you read every night. You also have an arithmetic booklet that you should work through daily.

Each of you have the CGP guides (Maths and English) that you purchased from school and I would advise you to work through these books at your own pace, accompanied by the revision guide (if you get stuck).

In addition to this, you should use the small 10 minute SATs buster books to work through. Again, I would advise you to work through at your own pace. The answers are at the back of the books so please mark them once you have completed a set. *Refer to you revision guides if you need support.

You also have an English and Maths CGP envelope, which has answers in the back for when you have completed the paper. I would advise you to work through it under test conditions and then check / mark it at the end.

Write some diary entries from different perspectives, linked to topics we have been looking at: 3 Little Pigs/ Mr. Wolf/ Goldilocks/ 3 bears. Write a newspaper report about what happened at the trial of Goldilocks.

Challenge yourself to write a story using a picture as a stimulus/starting point, from Pobble365.

RE

*Write a prayer about unity and friendship.

*Design a stained glass window to show how God's gifts shape the lives of Christians. (Think about people that are sharing God's gifts: priests, doctors, teachers, emergency services etc.

*Create a liturgy about friendship- think about which scripture you would include. Where do we see Jesus being a good friend in the Bible?

*Make your own Lenten calendar showing how you will spend the forty days of Lent preparing for Easter.

PE

*Try to complete 30 minutes of exercise a day.

Topic & Art/ DT

*Research mountains and create a project to share with the class: eg PowerPoint, model or poster. What writing could you do linked to this topic project? *Stories, letters, diary entries.*
