

Nursery Planning Week 5 – 11.5.20

The Very Hungry Caterpillar

****Please do not worry about printing anything – you can collect an exercise book from school and copy activities into it if you do not have your purple book****

Literacy

Read 'The Very Hungry Caterpillar' by Eric Carle.

You can access an animated version here: <https://www.youtube.com/watch?v=75NQK-Sm1YY>

Can you remember what happened each day in the story? You could try using the cards to out the story in order.

Can you remember some of the things the caterpillar ate? Can you try to draw them and do some writing using the sounds you know? What are your favourite foods? Can you draw or write them?

Maths

Use this song to help you learn the days of the week: <https://www.youtube.com/watch?v=HtQcnZ2JWsY>

Can you finish the pattern to complete each caterpillar? You could use paint or colour him in. (pattern activity sheet on website).

Try making some different sized caterpillars using playdough. Can you put them in order from shortest to longest?

Gather some objects such as pieces of Lego or teddy bears and split them into 2 groups. How many in each group? Can you count how many you have altogether? How many do you have if one is taken away?

Expressive Arts & Design

Create a fingerprint picture.

Make a caterpillar or butterfly model. You could use egg cartons, paper plates or playdough. There are lots of ideas on craft ideas on Pinterest or the internet.

If you choose to use paint, try mixing some colours together to make new ones. Can you make a colour lighter or darker? Talk about how the colours change with an adult.

PSED

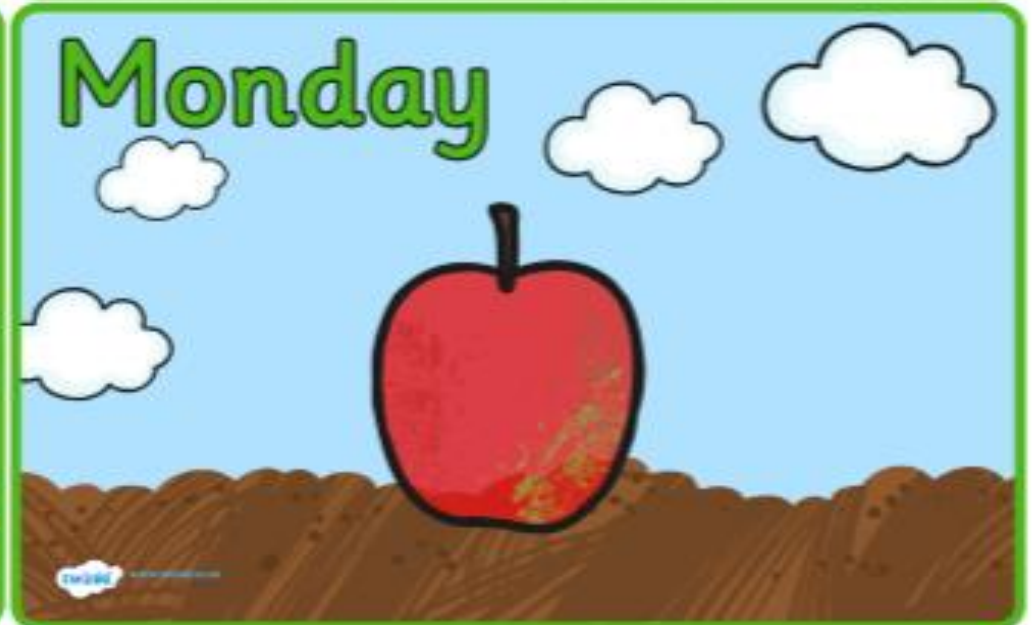

The caterpillar ate lots of food before it turned into a butterfly but some of the food was unhealthy. What do we need to do to keep our bodies fit and healthy?

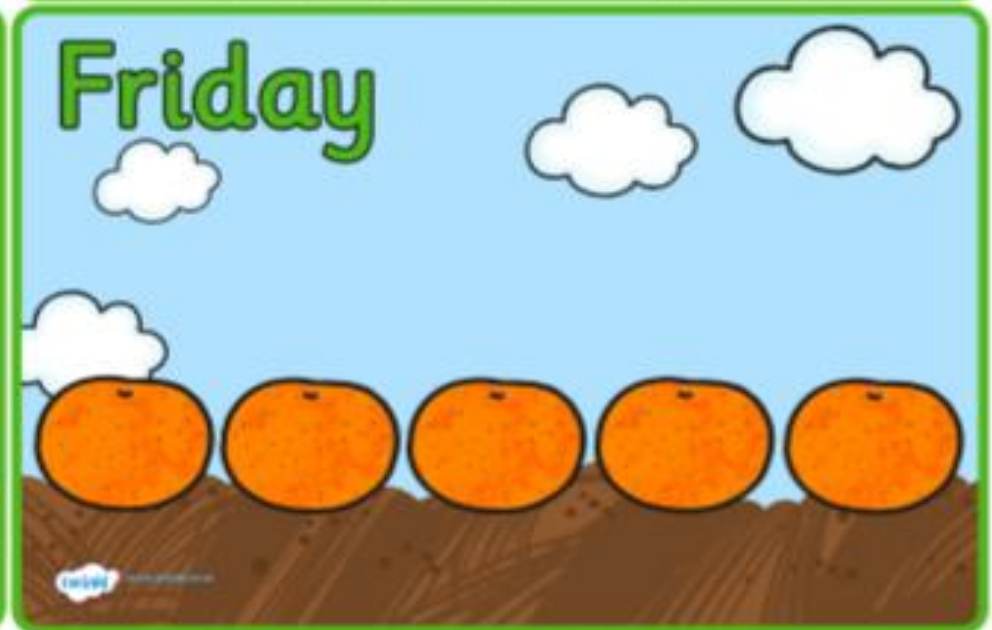

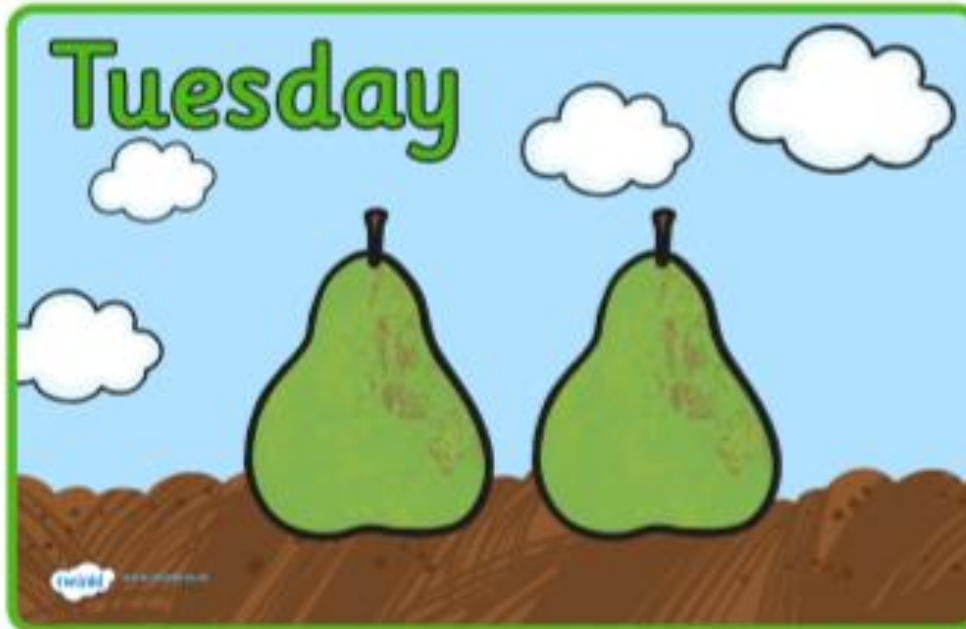

Knowledge and Understanding

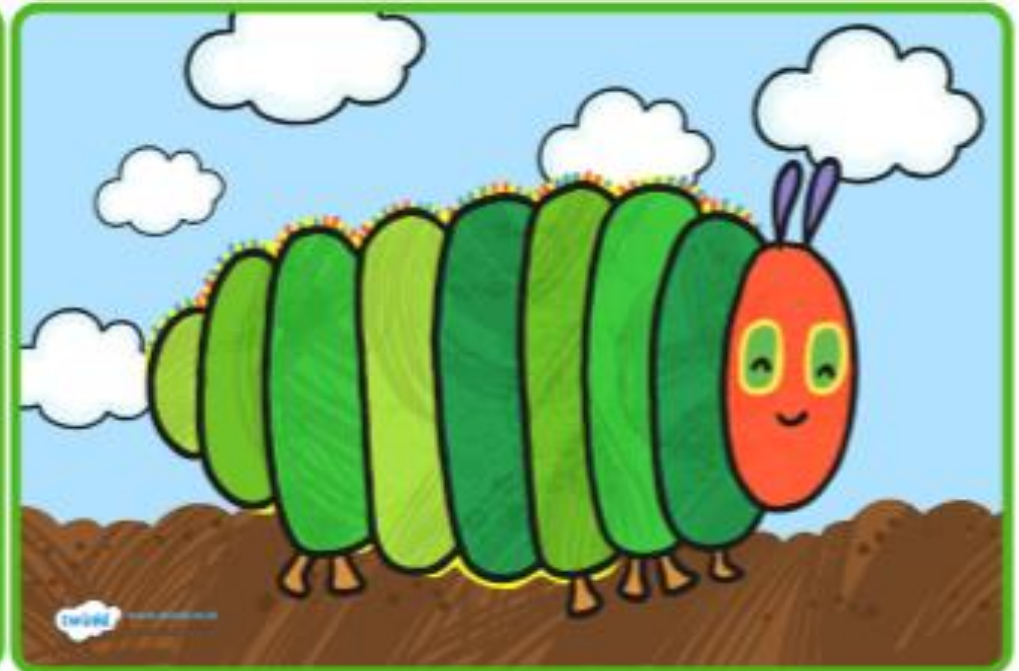

The caterpillar turned into a beautiful butterfly at the end of the story. Can you create a model or draw a picture showing the life cycle of a butterfly? You may need an adult to help you with this.

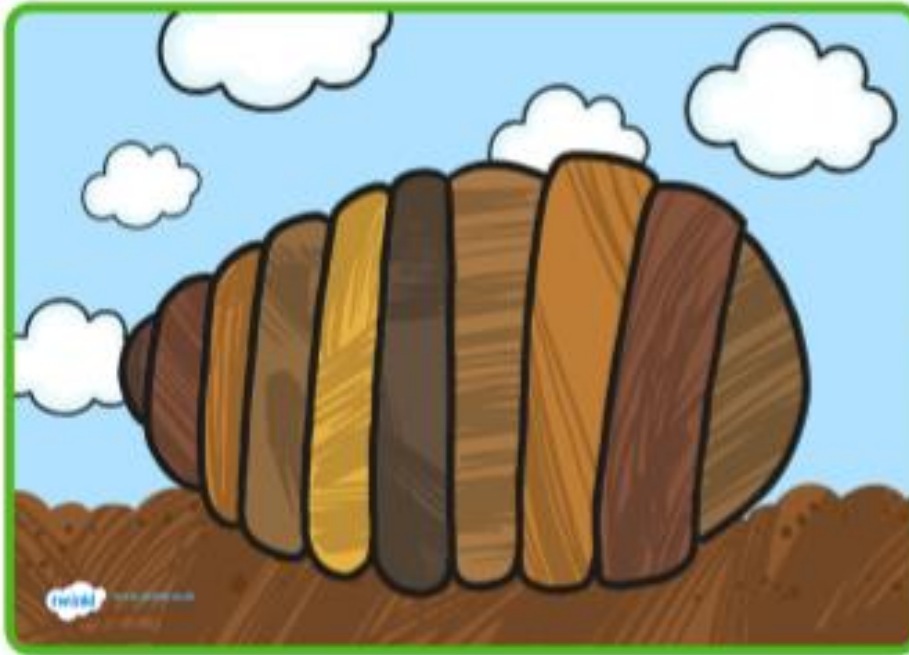

Caterpillars turn into butterflies when get bigger. Can you name these animals? What do we call their young?
