

# Reception Homework - Friday 20<sup>th</sup> November 2020

Don't forget to enjoy some time reading with an adult!

Please continue to practise zipping up coats. We are making good progress with this!

Next week's sounds are:

b 	f 
e 	l 

Practice saying the sounds with an adult. How many words can you think of or find around your home that begin with these sounds?

You could even have a go at writing these sounds with your adult!

Our new RE topic is 'Birthday'. Over the next few weeks we will be preparing for Jesus's birthday. Please talk about how we get ready for the birth of a child. If possible, look at some baby items—nappies, bottle, talc etc. Talk about the celebrations after the birth. Show cards, presents received etc.

123FreeVectors.com

Can you create a birthday card for the class so everybody's birthday is celebrated during the year?

## Maths!

### Counting!

Watch this video and count along in 1s to 20

<https://www.youtube.com/watch?v=EbgwPx6mYu4>

### Subitising

Subitising is the skill of instantly recognising the number of objects in a small group, without counting.

Example: when you know there are 5 coins here without counting. Practise this by using different objects around your house.
