And God said,  
"Indeed it is very good!"

What can you see in this picture? Who is there?  
What do you share at home? How can we share in a fair way?

Look at the picture. What do you notice about the people? What else can you see in the picture? How do you think the people are feeling? Why did God say, "It is very good?"

What is good? Why do you think the world is very good? How could we make it even better?
