

Year Homework - Friday 27th November

Geography

We are learning about where we live in geography. Can you remember what your address is? Why is it important to know your address?

RE

We will be learning about the Christmas story in RE. Next week, our focus will be on Mary receiving a visit from the Angel Gabriel. Can you talk about this with someone at home? How do you think she felt? How do we know Mary was very special to God?

Please ensure reading books are returned every Wednesday

History

We will be learning about the Victorian era. Can you research what life was like then? How was it different to how we live?

Think about:

- What they wore
- What jobs they had
- What the houses looked like
- How they travelled

Maths

We love to play 'Hit the Button' to help us with our number bonds. Can you practise these at home? You could try working on number bonds to 20.
