

World Earth Day

Wednesday 22nd April 2020

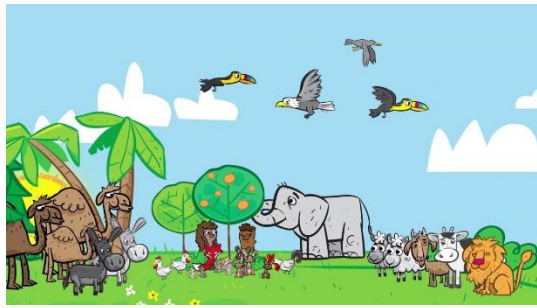

"We are stewards, not masters of our earth. Each of us has a personal responsibility to care for the precious gift of God's creation."

Pope Francis

Read or listen to the Creation story. You can watch an animated version here:

Look around your garden and local area. Marvel at the beautiful plants God created. Can you name the plants and trees you can see?

Could you use this ID sheet to see if you can find spring flowers?

Plant a seed or plant today. Nurture it and watch it grow.

Create one of the spring flowers you have seen on your walk. Try to use junk modelling or recycled materials.
