

Year 1 Home Learning Ideas 29.06.20

RE: Neighbours: To tell of God's greatness all over the world.

Read Isaiah 12:4

In today's scripture, Isaiah advises us to praise God and give thanks for all He has done. He instructs us to go out and help our neighbours to do the same.

TASK: On a template of the world, write one thing that is great about God. Share your poster with your teacher and she'll share it with your class.

Maths: This week we will work on place value and money

- Place Value to 100
- Recognising coins
- Recognising notes
- Counting money

Watch the BBC Bitesize Daily Maths Lessons:

<https://www.bbc.co.uk/bitesize/tags/zjpaq3/year-1-and-p2-lessons/1>

View the White Rose Maths Home Learning website:

<https://whiterosemaths.com/homelearning/year-1/>

Watch the 5 videos which teach key concepts.

Worksheets to support these will be uploaded to our school website.

The collage contains several worksheets:

- Recognising Coins:** A worksheet asking 'Can you give the value of each coin?' with images of various UK coins and a task to 'Sort the coins into pounds and pence'.
- Recognising Notes:** A worksheet asking 'What is the value of each note?' with images of £5, £10, and £20 banknotes.
- Counting in Coins:** A worksheet titled 'Match the purses to the items in the sweet shop.' It shows purses containing different combinations of coins and items like a lollipop (20p), a chocolate bar (30p), and a blue lollipop (3p).
- Practice: Ordering Numbers:** A worksheet with various number ordering tasks, including:
 - 1. 7, 12, 9
 - 2. One more than 10
 - 3. 30, 8
 - 4. Double 12
 - 5. Order the numbers from smallest to largest: 11, 50, 21, 7, 17
 - 6. Order the numbers from largest to smallest: 50, 51, 53, 57, 60
 - 7. Use the words smallest and largest to fill in the gaps: How are these numbers ordered? These numbers are ordered from [] to [].

If it is not possible for you to print these, please talk through the questions and answer verbally with your parent.

English:

Writing:

Learn how to write exclamation sentences correctly. Follow this lesson on BBC Bitesize: <https://www.bbc.co.uk/bitesize/articles/z7ms3dm>

* Write pirate exclamation sentences:

Imagine you are a pirate, a captain of a ship or a pirate's parrot.

Draw a picture of each character and include a speech bubble above each of them.

In each speech bubble write a short sentence with what that character is saying. Make sure each sentence includes an exclamation mark.
example:

- Captain: Leave my ship right now!
- Pirate: Give me all your treasure!
- Pirate's parrot: Give him the treasure!

* Although we now know how dangerous it is to throw things into the sea, writing a message in a bottle is still great fun. Imagine you have been kidnapped by pirates. Tell your story and ask the finder of the bottle to rescue you.

Phonics & Spelling:

Please continue to watch the RWI YouTube phonics lessons.

There are also some new daily films for word reading.

Reading:

Sign up to take part in the "Summer Reading Challenge"

Visit the website to sign up: <https://summerreadingchallenge.org.uk/>

1. Join the Silly Squad and create your avatar
2. Discover awesome books to read
3. Play games and earn points
4. Unlock badges

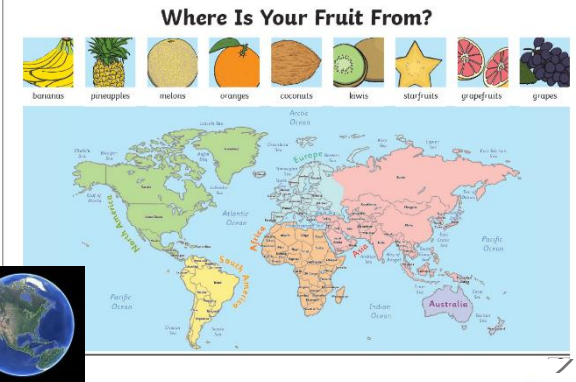

Remember to keep reading and if you don't have access to the internet, continue to practise daily speed sounds and "Fred Talk" words.

Geography: Investigate places

To reinforce all the lovely work you have completed about the continents, we are going to be exploring the world.

Start this week by discovering where different fruits come from. You'll find a slideshow and worksheet to help you on our school website.

Remember to have fun exploring the countries on your map by using the Google Earth map. https://www.google.co.uk/intl/en_uk/earth/

Science: To observe seasonal changes: Summer Sun Safety

Learning how to stay safe in the sun is a really important part of your learning. Follow the slideshow about sun safety on our school website and pack a bag of things you will need for a sunny day. Either complete the worksheet or take a photograph of real things you have gathered from around your home.

Art: Observational drawings of fruit from around the world.

Choose a fruit and make a detailed drawing of it. Use this video as an idea to get you started: <https://www.youtube.com/watch?v=ibKZ8HJMFWo>
