

Year 1 Home Learning Ideas 27.04.20 -

Here are homework tasks that will help your child to continue to make progress through the Year 1 curriculum.

RE: Pentecost: The feast of the Holy Spirit

Pentecost is a holy day. It is the day when the Holy Spirit came down upon the disciples. Jesus gave this message to His disciples before He ascended into Heaven: The Helper, the Holy Spirit, whom the Father will send in my name, will teach you everything and make you remember all that I have told you.

John 14: 26

Draw a picture of a symbol of the Holy Spirit. It could be a tongue of fire, it could be a gust of wind or it could be a dove.

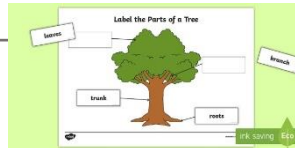

Science: Work scientifically to explore plants.

Children often forget that trees are plants too. Look around your local area and find out more about the trees around you. Can you name them? Do you know what its different parts are?

Watch this video:

<https://www.youtube.com/watch?v=bH9NKpDvLCg>

Can you draw a picture of a tree and label it's parts (trunk, branch, bark, fruit).

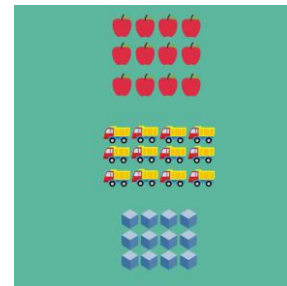

Maths: This week finish off looking at capacity and begin multiplication.

Now we are beginning early steps in multiplication.

Can you count in multiples of 10?

Find out about arrays. Can you make an array to show 2 lots of 10 or 3 lots of 5?

To support you with this please access the Year 1 White Rose Maths Home Learning website: Please note we are a little behind the White Rose timetable so please access the "Week 2" resources:

<https://whiterosemaths.com/homelearning/year-1/>

Each week, there are 5 videos to watch which teach key concepts. There are worksheets to download that go with the lesson. If it is not possible for you to print these, please talk through the questions asking your child to verbally answer.

English:

Reading:

Continue to read regularly. If you have access to the internet, Oxford Owl has free eBooks for your child to access that match their reading abilities: <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Spelling:

Continue to learn to spell high frequency words. Try using them in sentences.

Phonics:

RWI are now streaming Speed Sounds lessons, word time lessons and spelling lessons. Check them out here:

https://www.youtube.com/channel/UCo7fbLqY2oA_cFCIq9GdxtQ

If you don't have access to the internet, continue to practise daily speed sounds and "Fred Talk" the words that were sent home in your packs.

Writing:

Continue to write instructions, letters and stories.

How could you improve on last weeks writing task? Could you write a letter to someone different this week?

Look at the **Talk for Writing** activities on our school website based on the story about a fairy named **Pippety Skycap**.

Through the world of Pippety Skycap, your child will be invited to explore a number of engaging, fun and purposeful activities. They are planned in a series of mini-activities so that learning is broken down into bite-size chunks.

Art: Master techniques

Continue to use Pointillism to create pictures. Perhaps you could link your work to science and create a tree?

Look at this video for ideas:

<https://www.youtube.com/watch?v=DsV1QLQLr3s>

Geography: Investigate places

Find out key facts about Europe.

Use these videos to help you:

<https://www.bbc.co.uk/teach/class-clips-video/pshe-eyfs-ks1-go-jetters-continent-of-europe/zvvd47h>

Choose your favourite European country to find out more about it. How could you record your research?
