

# Year 1 Home Learning Ideas 01.06.20

**RE: Reconciliation: Being Sorry**

Read the story of Levi the Tax Collector.

**TASK:** Write a sorry prayer, that Levi might have said to Jesus, saying why he was sorry.

**Science:** To observe seasonal changes.

Watch this video: <https://www.bbc.co.uk/teach/class-clips-video/the-changing-seasons/zh4rkmm>

Look at what happens to different landscapes through the four seasons: Summer, Autumn, Winter and Spring.

- What changes have you noticed between spring and summer?
- What have you been wearing?

Divide your paper into 4 sections and label each section Spring, Summer, Autumn and Winter. Using an old catalogue cut out pictures of clothes and place them in the correct season.

If you don't have a catalogue you could draw pictures of the cloths e.g a wooly hat for winter or sunglasses for summer.

**Maths:** This week we will complete some work on measurements

- Introduce capacity
- Compare capacity
- Measure capacity

You will need a measuring jug.

Watch the BBCBitesize Daily Maths Lessons:

<https://www.bbc.co.uk/bitesize/tags/zipaqp3/year-1-and-p2-lessons/1>

Don't forget there are resources for Year 1 on the White Rose Maths Home Learning website:

<https://whiterosemaths.com/homelearning/year-1/>

Watch the 5 videos which teach key concepts. Worksheets to support these will be uploaded to our school website on Monday but working practically with a ruler to measure objects is a really important step in your learning.

**Introduce Capacity and Volume**

Match the labels with the pictures.

half full    nearly empty    nearly full

Which labels are missing?

These are all half full so they all have the same amount of soap.

Do you agree?

**Compare Capacity**

Tick the carton that can hold the most.

Put these boxes in order from smallest to largest capacity.

smallest    largest

**Measure Capacity**

One sack of soil will fill these pots.

The capacity of 1 sack is 4 pots. True or false?

These trowels of soil will fill the pot.

The capacity of 1 pot is 10 trowels. True or false?

I had a full jug of water then I poured it all into the glasses.

The capacity of 1 jug is 3 glasses. True or false?

If it is not possible for you to print these, please talk through the questions and answer verbally with your parent.
