BBC Newsround

<https://www.bbc.co.uk/newsround>

Letters and Sounds

<http://www.letters-and-sounds.com/>

“Letters and Sounds” is a website that has lots of games to practise phonic skills and has information about phonics for parents.

Phonics Play

<https://www.phonicsplay.co.uk/freeIndex.htm>

“Phonics Play” is a useful website for practising phonics games. We use this in class so the children will be familiar with the game.

Hit the Button

<https://www.topmarks.co.uk/maths-games/hit-the-button>

“Hit the Button” provides opportunities for children to basic maths calculations.

Science

<https://www.rigb.org/families/experimental>

Royal Institute of Science – In the “Families” section under “ExpeRimental” there are fun science activities to do at home.

Snappy Maths

<http://www.snappymaths.com/>

Snappy maths – basic maths skills worksheets to print out and online games to play.

Jack Hartmann YouTube videos

<https://www.youtube.com/user/JackHartmann/videos>

Videos that cover lots of maths and English songs to help retain early key skills such as doubling, counting in multiples etc.
