Maths

- Adding and subtracting single digits within 20
- Number bonds to 10
- Tens and ones in 2 digit numbers, leading to 10 more and 10 less
- 2, 5 and 10 times tables
- Telling the time using o'clock, half past, quarter past and quarter to

English

- Continue to read daily using your reading book and books from home, recording what you read in your reading record.
- Put your spellings in to sentences each week using capital letters and full stops.
- Choose a story you have enjoyed reading. Write the story thinking carefully about punctuation and spelling.

RE

Find out about the events of Palm Sunday, Maundy Thursday, Good Friday and Easter Sunday. Choose two of these stories and create a storyboard to show the story.

- **Topic-** Find out what happened during the Great Fire of London. How and where did it start? How long did it last? How and where did it spread?
Record what happened using pictures and sentences.
- **PE-** Try to complete 30 minutes of exercise a day.
- **Science-** Think about the different materials we have looked at- glass, plastic, wood, fabric, metal, paper etc. Using objects around your house explore whether objects and materials can be bent, squashed, twisted and stretched.
- **Art/ DT-** Create a model of something from London past or present (1666). For example, a house from 1666, Big Ben, a fire engine, the London Eye.
