

Year 2 Homework Summer 2020 (WB 6.7.20 and WB 13.7.20)

English

Spelling/ grammar work- For the last couple of weeks of term please review and continue to practise spelling the Year 1 and 2 common exception words. There are booklets to help you if you would like to use them.

Reading

Please complete the reading comprehension 'Sindy's Great Escape' this week and 'Victorian Adventure' next week.

Writing Task

Stories in imaginary/ fantasy settings.

Last week you chose one of the 'Treasure in the Garden' settings to describe. This week you are going to use the characters in this and the setting as a starting point for create your own fantasy story. Use the story mountain to help you plan your story first and then write your story. When writing think carefully about using the correct punctuation (capital letters, full stops, commas, apostrophes, exclamation marks and question marks) and writing in full sentences that make sense.

Also, make sure you take care with your handwriting and spellings. See if you can show us your best writing.

If this task takes you in to next week to complete that is fine. There is also a word mat and checklist that may help you.

A game to help you with your English skills: <https://www.bbc.co.uk/bitesize/topics/zd63xyc/articles/zdp4pg8>

Science

Topic- 'Living Things and Habitats'

This week you will be learning about food chains. Use the PowerPoint to help you find out about these.

Task

Complete one or more of the following activities:

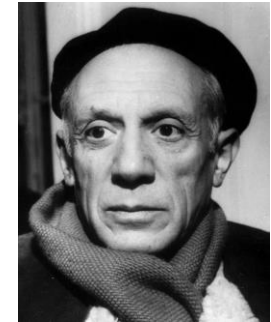

- Use the food chains activity sheet to draw your own food chains.
- Use the sorting activity to make your own food chains.
- Use the instructions to create a food chain mobile.

Topic

Art- Pablo Picasso

Look back at Picasso's picture from last week.

Over the next couple of weeks create your own version of one or more of these. You can do this by drawing, painting, collaging...however you would like to! Remember to share your finished pictures with us!

Maths

This week we will be reminding ourselves what we have learnt about multiplication and division.

Key learning ideas:

- Recall multiplication and division facts for the 2, 5 and 10 times tables
- Multiply by making groups
- Divide by sharing and grouping
- Begin to recall multiplication and division facts for the 3 times tables

Use the booklet to help you practise these skills. There are also some challenge card if you want to have a go at these to challenge yourself further.

Additional challenges can also be found at- <https://nrich.maths.org/8938>

A game to practise any of your Maths skills: <https://www.bbc.co.uk/bitesize/topics/zjkphbk/articles/zf4sscw>

RE

Over the next 2 weeks you will complete our final RE topic of Year 2- a Universal Church topic 'Treasures.'

Please see the unit overview on the school website for activities.

These activities are to be carried out over four weeks, please complete 1-2 activities a week.
