<https://whiterosemaths.com/homelearning/year-2/>

For each lesson there is a video to watch teaching the concept. There are then worksheets to download that go with the lesson. I am aware it will not be possible for lots of you to print these, so please just talk through the questions asking your child to verbally answer.

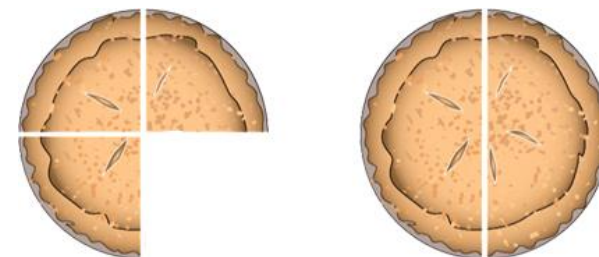

If you are unable to access these, using numbers and images please explore the concepts of:

-unit and non-unit fractions

-equivalence of one half and two quarters.

(Please see help sheet for processes and ideas)

Please also continue recapping/ learning times tables, addition, subtraction and time.

The disciples were looking forward to the coming of the Holy Spirit and how the Spirit would help them to spread the Good News and serve others.

Jesus' friends were happy that Jesus was alive again, but they did not understand about his new life. They felt sad and lonely because they could not see him and wondered how they would get on without him.

Then they began to remember what Jesus had told them. "I am going back to my Father who sent me."

Another friend remembered that he had said he would send someone else to help them.

"The Holy Spirit will lead you and guide you. He will help you to remember and understand all the things I have done and said to you. He will teach you everything and help you to know how to live good lives"

Based on John 13
(Come and See)

'I will not leave you alone'

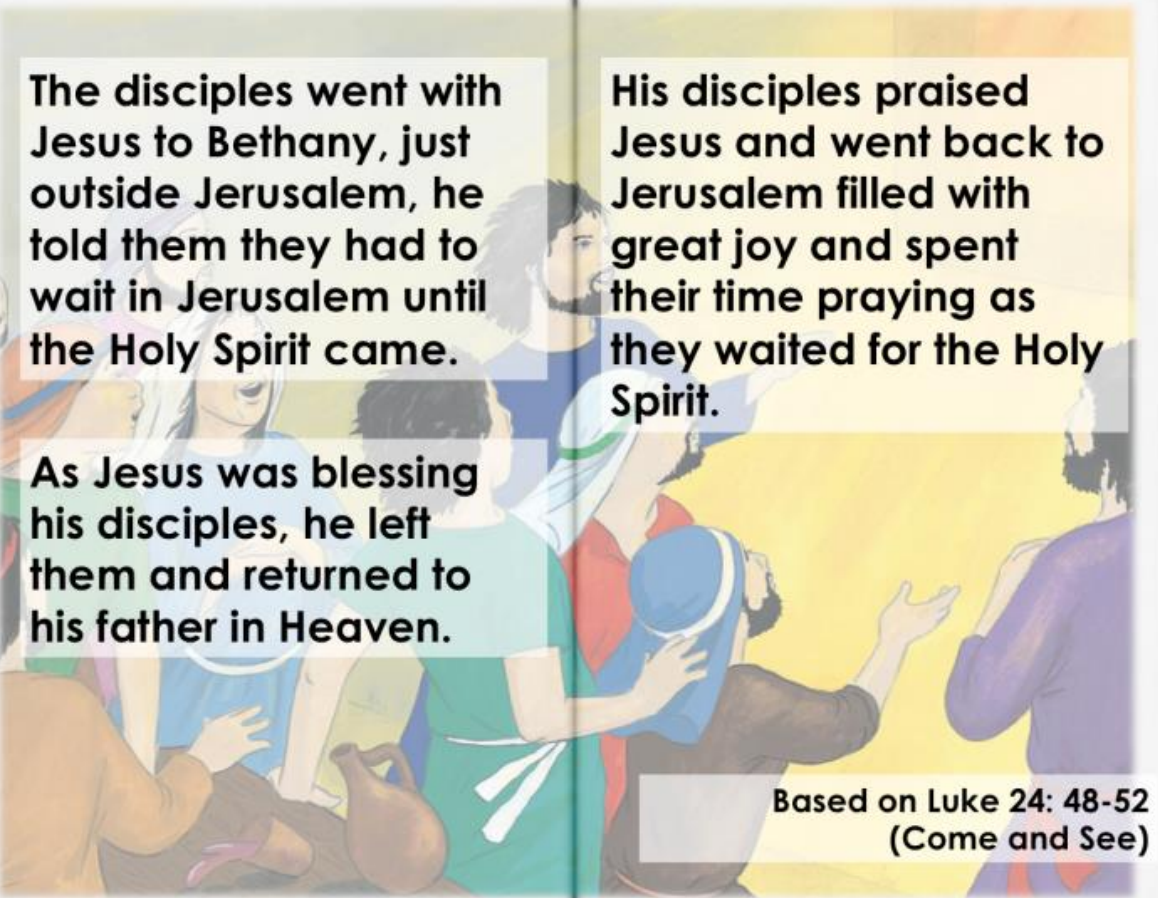

'My Father will give you another friend'

'The Holy Spirit will help you and guide you'

'The Holy Spirit will show you how to live'

Based on John 14

The disciples went with Jesus to Bethany, just outside Jerusalem, he told them they had to wait in Jerusalem until the Holy Spirit came.

As Jesus was blessing his disciples, he left them and returned to his father in Heaven.

His disciples praised Jesus and went back to Jerusalem filled with great joy and spent their time praying as they waited for the Holy Spirit.

Based on Luke 24: 48-52
