

# Year 2 Homework - Friday 11<sup>th</sup> December

Don't forget to keep reading at home with an adult!

As Christmas approaches, please decorate a picture of a candle and display it in your windows at home (like the rainbows during lockdown).

The more brightly coloured or Christmassy the design the better. We want to light up our community with the light of Christ this Christmas. The candle light in our windows will show others that we are preparing for a Christ-filled Christmas.

It will also show the Holy Family that there is a place for them in our homes and our hearts this Christmas after their long journey. It would be lovely to see picture of your designs in the windows too, so send us a picture

We have been continuing our work about the Christmas story in RE this week. Next week we will find out about Mary and Joseph's journey to Bethlehem.

Find out what you can about their journey. What would it have been like? We will share what we found in class.

Father Jeff live-streams the Advent Sunday Mass via Facebook on Sunday Mornings. All are welcome to join!  
@ParishFamilyStocktonRC

Don't forget to share your work on Class Dojo!
