

Year 3 Homework - Friday 11th December 2020

As Christmas approaches, and as part of our home learning activities, we are asking the children to decorate a picture of a candle and display it in your windows at home (like the rainbows during lockdown).

The more brightly coloured or Christmassy the design the better. We want to light up our community with the light of Christ this Christmas.

The candlelight in our windows will show others that we are preparing for a Christ-filled Christmas. It will also show the Holy Family that there is a place for them in our homes and our hearts this Christmas after their long journey.

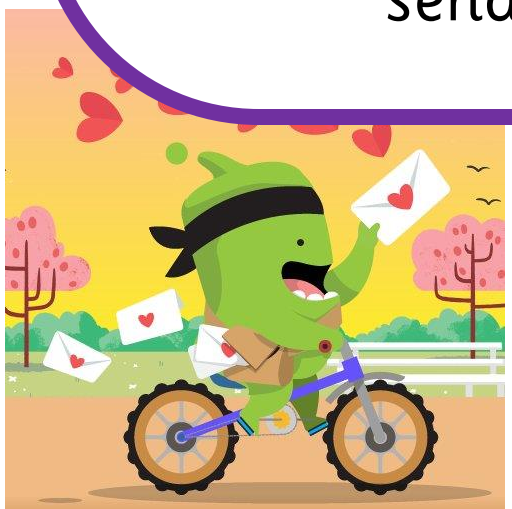

It would be lovely to see picture of your designs in the windows too, so send us a picture 😊

Remember to keep practising our liturgical dance:
<https://www.youtube.com/watch?v=m1FLUZ3ansI>

Don't forget to share your work on Class Dojo! You will receive extra dojo points!

Literacy/RE

Read the Shepherd's Story or watch it here:

<https://www.youtube.com/watch?v=sGak3d7>

[HOck](#)

Write a news report about the shepherd's visit from the heavenly angels to announce the saviour's birth.

Maths

Use the arithmetic task that I have uploaded to Dojo, to practice some of the methods we have been learning this term.
