Please read your school book for 10 minutes to an adult every night.

English

Prepare for your biography about Mary Anning by thinking about these questions:

- When was she born?
- What can you found out about her family?
- Where did Mary Anning search for fossils?
- What fossils did she find?
- When did she die?
- Why do you think Mary Anning is thought of as one of the greatest fossil hunters to have ever lived?
