

Year 4 Homework - Friday 23rd October

English

In English this week, we have been learning how to use apostrophes to show possession for singular and plural nouns.

When something belongs to one person or thing we use 's after their name = Ben's jumper.

The girl's doll = 1 girl

When something belongs to more than one person we make the word plural and add the ' after the word = The boys' jumpers.

The girls' dolls = more than one girl

Look at the dogs, can you complete the attached sheet with the correct word?

Can you write some sentences using the possessive apostrophe for singular and plural.

Please read your reading book every day.

Don't forget to share your work on Class Dojo!

Plural	Dogs
The dogs like to eat bones.	
Singular Possessive	Dog's
The dog's bone is in his mouth.	
Plural Possessive	Dogs'
The dogs' bone is in the middle.
