If a ladybird has 4 spots on one side and 4 spots on the other side, how many does she have in total?  
Double 4.

Collect 9 sticks. If you found 9 more, how many would you have altogether?

Collect 3 leaves outside. Collect 3 more. How many do you have altogether?

Draw 7 caterpillars on a large leaf. Double the amount. How many caterpillars are there in total? Draw all the caterpillars and count them to check.

Jordan made 6 cupcakes for her class, but she needs to make more. There are double that number of children in her class. How many cupcakes does she need in total? Can you make that many cupcakes?

## Religious Education: Good News

Pray our morning offering after making the sign of the cross:

Father in heaven,  
I give you today,  
All that I think and do and say,  
All my work and all my happy  
play,  
I will give to you today,  
Amen.

Pentecost is often named as the 'birthday of the Church'. The feast celebrates the coming of the Holy Spirit to the disciples. The Holy Spirit is a new friend that Jesus had promised to send them. With a new friend the disciples felt full of joy and happiness. They were no longer frightened and were able to go out and share the Good News with others.

**Task: Compose a litany of praise.**

Response; 'Thank you, God!' For my Good News about...

For the Good News of Easter... For the new life of Jesus...

For the Good News of the Holy Spirit... For the Good News of your love...
