

Nursery Homework - Friday 23rd October

This week:

Can you use junk modelling to make something linked to our new topics?

We will be talking about winter celebrations, birthdays and Autumn!

What will you make?

Here are some ideas:

Diwali Patterns

Autumn Tree

Bonfire Night Rocket

Plate hedgehog

Junk Cake

Junk Owls

Next term as part of our Religious Education we will learn about Judaism. You might want to make some Jewish "triangle hat cookies" or Hamantaschen cookies over half term! You can search for a recipe and talk to your child about different cultures of the world!

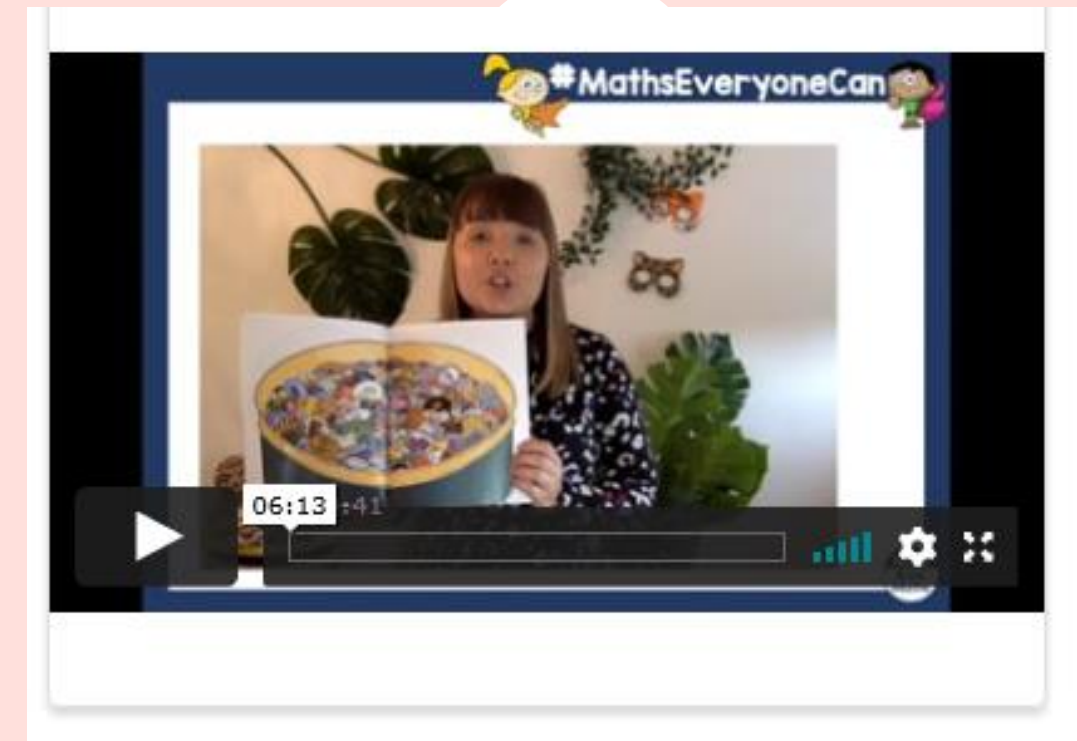

Don't forget to enjoy some time reading with an adult!

Just like me Week 1

Maths!

Copy and paste this link and click on the story. <https://whiterosemaths.com/homelearning/early-years/week-1/>

Your job is in your packet!
