

Year 1

# Phonics

# Homework

Dear Parents/Carers,

As the National Phonics Screening Check is the week beginning 6<sup>th</sup> June, we would like to support the children as much as we can.

The check comprises a list of 40 words that children read one-to-one with a teacher. The list is a combination of both real and made up, non-words which rely purely on using phonics to decode. The non-words are words that have been made up and will be shown with a picture of an imaginary creature to identify them. The phonics screening check will take place on a one to one basis but the children will largely be unaware of it being an assessment and have already participated in some practice checks.

Along with our daily phonics sessions in school, using this booklet at home will support your child recognising graphemes within words. We ask that you complete one column a week and identify the graphemes within the real and alien words— supporting your child to identify digraphs (2 letters making one sound), trigraphs (3 letters making one sound) and split digraphs.

If you have any questions, please do not hesitate to contact me.

Thank you for your ongoing support,

Miss Lammonby

Week 1

<b>2014</b>	
vol	
teg	
jat	
ind	
tull
