TERM**

**Topic/Theme**

**Drawing and painting  
developing into digital art.**

**Influences**

**Inspired by Tudor  
fashion.**

**Knowledge and skills for this unit.**

**Exploring and Developing Ideas**

•Work from a variety of sources including observation, photographs and digital images. Work in a sustained and independent way to create a detailed drawing. Develop close observation skills using a variety of view finders. Use a journal to collect and develop ideas. Use dry media to make different marks, lines, patterns and shapes within a drawing. Experiment with wet media to make different marks, lines, patterns, textures and shapes. Explore colour mixing and blending techniques with coloured pencils, pastels. Use different techniques for different purposes i.e. shading, cross-hatching. Show an awareness of how paintings are created i.e. composition.

**Painting**

• Develop a painting from a drawing. Carry out preliminary studies, trying out different media and materials and mixing appropriate colours. Create imaginative work from a variety of sources e.g. observational drawing, themes.

**Digital**

•Use the graphics package paint to create and manipulate new images.  
•Be able to import an image into a graphics package.  
•Understand that colour and other effects can be added to a digital image.  
•Understand that a digital image can be resized, rotated and repeated.

**Evaluating Review**

•Compare ideas, methods and approaches in their own and others' work and say what they think and feel about them. Adapt their work according to their views and describe how they might develop it further. Annotate work in a journal/sketchbook.
