R.H.E AND R.E

RHE lessons

Unit: Created to Live in Community

Created to Live in Community explores the individual's relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good.

RE lessons.

Unit: Eastertide & The Church is Born

- To retell the Easter story.
- To retell the story of Jesus' Appearance.
- To recognise that Jesus returned to heaven.
- To retell the story of the coming of the Holy Spirit.
- To describe what happened at the Pentecost.
- To understand how the catholic church came into being
- To know the stories of the first Christians.

ART AND D&T

D&T— Unit: Moving pictures

- Create simple levers with card and split pins
- Generate, develop, model and communicate a picture of The Great fire of London.

Art— Unit: Andy Warhol (pop art)

- Technique - drawing
- Choose and draw animal of choice and create pop art in the style of Andy Warhol.

Welcome to St Francis of Assisi Class

Teacher: Miss Lyons

Teaching Assistants:

Miss Ursula
Miss Kate

Autumn Term

Summer Term

HOMEWORK

It is really important that you support your child with their homework.

Reading: Read at least **5 times** a week with your child, and ask lots of questions to develop comprehension. Ensure their Reading Diary is signed by an adult every time they read. Children should bring their Reading Diaries in on a **Wednesday**.

Maths/English: This will be given weekly on a Friday and will be due back on **Wednesday**.

Spellings and Times Tables: Given on **Friday** for a test on the following Friday.

Homework Folders: These will be sent home every Friday in your child's book bags and should be returned with everything completed by **Wednesday morning**.

Sumdog/Reading Eggs: Your child is expected to use Sumdog and Reading eggs regularly to support their learning.

GEOGRAPHY

Unit: Compare Brasilia to London

- To know where Brasilia is in the world compared to London
- recognise the significance of rivers and identify on maps
- Compare other physical features e.g. beaches, coastlines, mountains, weather, landscape.
- Compare differences in population, buildings and other key features

HISTORY

HISTORY

Unit: The Great Fire of London

- The learn and sequence the events in order
- To understand why the fire spread so far
- To learn how we learnt about the fire and who Samuel Pepys was.
- To understand how London was built after the fire.

COMPUTING

Unit: We are Detectives & We Are Zoologists

- Use the internet to research safely
- Understand importance of online safety and how to stay safe
- Collect data and information from safe and reliable sources

SCIENCE

Unit: Plants

During this unit children will learn how to observe, grow and describe a plants growth and what it needs to survive and be healthy.

Unit: Uses of Everyday Materials

During this unit children will learn how to identify and compare the suitability of a variety of materials for particular uses . They will also learn how certain materials can change shape by using different forces such as squashing and bending and how some do not.

P.E.

Year 2's P.E. days are **Wednesdays & Thursdays**
Children will be learning:

- **Team games & Invasion games**

It is important that you check our class Dojo daily for private messages or class stories as this is our main method of communication.

Please private message me on Dojo with any issues or problems and I will get back to you as quickly as I can. If the matter is urgent please see me at the door, either in the morning or after school as we do not check messages during the school day.

ENGLISH

- writing narratives about personal experiences and those of others (real and fictional)
- Building tension and suspense in fiction writing by using detailed description using the senses to describe the setting and characters experience
- Use short sentences and repetition to create tension
