

## MATHS

Throughout the term, we will learn to:

- Compare fractions.
- Add and subtract fractions.
- Find equivalent fractions.
- Learn how to use a 24-hour clock.
- Look at how to use a.m. and p.m.
- Find how to work out the duration of an event.
- Work out right angles in a shape.
- Learn what is horizontal and vertical.
- To be able to recognize and describe 3-D shapes.
- Recap how to compare and measure mass.
- Look at how to measure the capacity of an object.
- Add and subtract capacity and mass.

### Ideas to support your child

- By Year 3, your child should be confident in having quick recall of their 3x, 4x and 8x tables. If your child is still having difficulties with their times tables, please help them learn them, as it will have a major impact on their mathematical development. Use Times Tables Rockstars at least weekly as children will also start learning other times tables such as the 3x, 4x and 8x tables.
- Work with your child to make sure they are confident in telling the time accurately to the hour, half hour, quarter hour and 5 minute intervals.
- [www.topmarks.co.uk](http://www.topmarks.co.uk)  
Topmarks is a really useful website with lots of maths games to support your child's learning.
- Mathematics activities will also support your child's maths learning.

## RE AND RHE

In R.E this term, we will be learning about the celebrations of Easter and Pentecost. In this unit, we will learn about the resurrection of Jesus. We will also explore Jesus' appearance to his disciples. We will then reflect on how the Pentecost changed the apostles and how the Holy Spirit can help us in our everyday life.

In RHE this term, we will learn strategies for developing healthy relationships and keeping safe. We will then reflect on our relationships with others and how to live in communities in the way God intends.

## SPANISH

In Spanish children will be learning numbers, 1-20, colours, days of the week, months of the year, age, pets, animals, games and songs revision.

## ART & D&T

In Art and D&T this term we will be focusing on Greek influences. In Art we are focusing on Ancient Greek sculptures. In D&T we are looking at how to make a Greek feast and the traditional foods that were eaten.

Miss Knott is available after school if you want to drop in for a chat about your child or any concerns you have about year 3, otherwise please contact her via Class Dojo.

## Welcome to England Class

**Teacher:**  
**Miss Knott**

**Teaching Assistants: Ms Kate**

**Summer Term**

## HOMEWORK

It is really important that you support your child with their homework.

**Reading:** Read at least 5 times a week with your child, and ask lots of questions to develop comprehension. Ensure their Reading Diary is completed by them every time they read. Please sign it once a week. Children should bring their Reading Diaries in on a .....

**Maths/English:** This will be given weekly on a Friday and will be due back on Wednesday.

**Spellings and Times Tables:** Given on Friday for a test on the following Friday.

**Homework Books:** Children are expected to file their homework into their homework book. Please check this book on a Friday, and help them to complete the tasks assigned.

We will also continue to set online activities which would also be used if your child or a family member needs to self isolate.

## GEOGRAPHY

### What are we learning?

Our topics for the summer term is Settlements and Cities. This half term they will be learning what a Settlement is. Children will be learning the difference between a Village, town and city. They will be learning the characteristics that make up each settlement and how we can differentiate between them.

## HISTORY

## HISTORY

### Ancient Greece

Children will be learning about the Ancient Greeks and how they lived. We will be focusing on the invention of democracy and how that has impacted future life. We will also be looking out Ancient Greek literature specifically Homer's epic the Odyssey.

## ICT

In Computing, we will practise word processing skills. We will also have online safety lessons, discussing why and how to be safe online and what information not to give out online. Please ensure you monitor your child when he/she is online so they are using the internet safely.

### Ideas to support your child

- Visit the Ancient Greeks: Science and Wisdom exhibition at the Science museum. It is exploring the impact that Ancient Greece had on the modern world. It closes on the 5th June 2022.
- Visit a city, town and village during the May half term. Can you spot the differences and why they are classed as each.
- Ask your child lots of questions about what they are learning about the Ancient Greece, and allow them to visit your local library to choose books related to the topic.
- Look at maps and atlases with your child and help them to learn the location of countries in Europe as well as the names of their capital cities.

## P.E.

### Year 3's P.E. day is Tuesday.

They need to arrive to school already dressed in full PE kit. As we aim to carry out the lessons regardless of the weather conditions, they may also need a jumper and jogging bottoms.

Children will be taking part in practical problem solving sessions, exploring what it means to work as an effective team with a focus on co-operation. Children will also be learning about athletics.

## ENGLISH

### What are we learning?

We will begin by learning suspense tale called 'The Manor House.' We will then use a variety of writing techniques to plan and write our very own suspense story.

We will also learn how to use heading, sub-heading and formal writing style to plan and write an information report about woodland creatures.

### Ideas to support your child

- You could find books related to our topics at your local library and read regularly with and to your child. Be sure to ask lots of questions!
- Ask your child to write for a variety of purposes at home. Perhaps you could ask them to write a letter to a family member or a friend. Or they could write a diary entry about an event they have been to and bring it in to show the class. Any excuse you can find!
- Support your child to learn their spellings.
