

MATHS

Throughout the term, we will learn to:

- Read, write, order and compare numbers to at least 1000000 and determine the value of each digit.
- Count forwards or backwards in steps of powers of 10 for any given number up to 1000000. I
- Interpret negative numbers in context, count forwards and backwards with positive and negative whole numbers including through zero.
- Round any number up to 1000000 to the nearest 10, 100, 1000, 10000 and 100000 Solve number problems and practical problems that involve all of the above.
- Read Roman numerals to 1000 (M) and recognise years written in Roman numerals.
- Add and subtract numbers mentally with increasingly large numbers.
- Add and subtract whole numbers with more than 4 digits, including using formal written methods (columnar addition and subtraction)
- Use rounding to check answers to calculations and determine, in the context of a problem, levels of accuracy.
- Multiply and divide numbers mentally drawing upon known facts. Multiply and divide whole numbers by 10, 100 and 1000.
- Divide numbers up to 4 digits by a one digit number using the formal written method of short division and interpret remainders appropriately for the context.
- Solve comparison, sum and difference problems using information presented in a line graph.
- Complete, read and interpret information in tables including timetables.

Ideas to support your child

- By Year 5, your child should be confident in having quick recall of all their times tables. If your child is still having difficulties with their times tables, please help them learn them, as it will have a major impact on their mathematical development.
- Work with your child to make sure they are confident in telling the time accurately to the hour, half hour, quarter hour and 5 minute intervals.

P.S.H.E AND RHE

In RHE lessons, we will ...

- Me, My Body, My Health
- Emotional Well-being
- Life Cycles
- Personal Relationships
- Keeping Safe
- Religious Understanding
- Living in the wider world

In PSHE lessons, we will learn about...

- Being Me in My World
- Celebrating Difference
- Our Dreams and Goals
- Being a Healthy Me
- Relationships

In R.E this term, we will learn:

- To understand the story of Creation.
- To know that God calls us to care for Creation.
- To know and reflect on the story of the Fall.
- To know about individuals who inspire us to respect creation and look after the vulnerable.
- To be aware of God's great gifts to us.
- To understand the meaning of covenant.
- To know about the covenant God made with Abraham.
- To understand that God guides and challenges His people.
- To know that God made a covenant with Moses and the Israelites.
- To know that God sends prophets to remind His people of His covenant.
- To know that God makes a new Covenant with us.

In Science we will learn:

- About life cycles.
- To know about the human reproductive organs.
- To explore gestation periods.
- To describe the changes which happen in childhood.
- To understand which changes happen in adolescence.
- To describe the changes as humans develop to old age.
- Know ways in which materials can change
- Describe changes that can happen to materials
- Explain how physical changes can be reversed

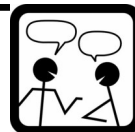

SPANISH

We will be learning:

- Greetings, Feelings, Phonic, Songs, The article, Singular/Plural.
- Numbers 1-50, Colours, Matematicas, The Calendar, Birthdays, Likes and Dislikes, Family, Opinion, Verbs.
- Description, The city, Likes/Dislikes, There is/ There is not, Opinion, Food and Drinks, Likes and

Miss Hajiloizis will be available after school on the playground from 3:30 if you have any enquiries you need to make , otherwise you are able to send a message via Class Dojo.

Welcome to Ghana Class!

Teacher:
Miss Hajiloizis

Teaching Assistants:
Ms Mulwemi LSA

Autumn Term

HOMEWORK

It is really important that you support your child with their homework.

Reading: Read at least 5 times a week with your child, and ask lots of questions to develop comprehension. Ensure their Reading Diary is completed by them every time they read. Please sign it once a week. Children should bring their Reading Diaries in on a Friday.

Maths/English: This will be given weekly on a Friday and will be due back on Friday. Children will have separate homework books for both Maths & English. Please check these on Friday, and help them if necessary to complete the tasks assigned.

Spellings and Times Tables: Given on Friday for a test on the following Friday.

GEOGRAPHY

- All about Ghana. (Our class country)
- Migration in Europe and the world.
- Identify and understand geographical similarities and differences
- Appreciate that people move between places (migration) and the reasons for this

HISTORY

HISTORY

What are we learning?

Anglo Saxons

- Understand where the Saxons came from.
- Understand who the Saxons were.
- Understand the locations of the Saxon Kingdoms and settlements. #Understand where and how the Anglo-Saxons lived.
- Build and construct a small Anglo-Saxon Village.
- Begin to plan and create a model village.
- Understand the Anglo-Saxon Religion and beliefs.
- Understand the mystery of Sutton Hoo.
- Read and create Anglo- Saxon Runes.

FADFRAXPN
IJCYYTBMM
IXHFFATLX

Ideas to support your child

- Why not visit the Sutton Hoo & Europe exhibition at the British Museum during October half term?
- If you are unable to visit the British Museum then why not take a virtual tour & explore the impressive Anglo Saxon artefacts found at the Sutton Hoo burial using Google street view! (Visit the British Museum website to see!)
- Ask your child lots of questions about what they are learning about the Anglo Saxons and allow them to visit your local library to choose books related to the topic.

P.E.

Year 5's P.E. day is on a Wednesday.

They need to arrive to school already dressed in full PE kit. As we aim to carry out the lessons regardless of the weather conditions, they may also need a jumper and jogging bottoms.

Children will be taking part in practical problem solving sessions, exploring what it means to work as an effective team with a focus on co-operation. Children will also be learning about netball and invasion games.

P.E Kit:

- White polo shirt or round neck t shirt.
- Black shorts
- Plain black trainers or plimsolls.

ENGLISH

What are we learning?

We will start the term focusing on how to choose appropriate and enjoyable books from the library for home reading.

Next, we will read Hansel & Gretel & The Canal. We will also look at the Non fiction texts: Let us go! & Boys rescued from the canal using the Talk for writing approach. We will learn how to:

- create suspense to build tension, scare the reader and keep the reader wanting to find out what will happen.
- Rehearse suspense sentences using sentences of three to build tension and drop in clauses; contrast with rhetorical questions and short sentences.
- Use 5 part story structure (Introduction, Problem, Buildup/dilemma, Resolution & Ending)
- The elaboration of starters using adverbial phrases.
- Introducing: Metaphor Personification and Onomatopoeia.
- Focus on practising legible & joined handwriting.

Ideas to support your child

- You could find books related to our topics at your local library and read regularly with and to your child. Be sure to ask lots of questions!
- Ask your child to write for a variety of purposes at home. Write information pages or booklets about a hobby or something they find interesting e.g. dinosaurs, class topics, sports stars etc. Illustrate and label. Encourage use of paragraphs for blocks of information.
- Support your child to learn their spellings.
- Please continue to log in to your Reading Eggs account.
