

## Eco Challenge - Recycling Surprise

When we recycle, we try to use the correct bin for the material. This is so that it is easier to recycle. Sometimes, we might not be sure if we can recycle something. The best thing to do is to check.

Use this website and have a look at the things you can recycle and things you cannot (for example, I thought that black bin bags could be recycled, but they cannot so make sure to not put any in the recycling bins!)

<https://www.haringey.gov.uk/environment-and-waste/refuse-and-recycling/recycling/recycling-z>

Your task is to find an item on the list that you think may not be disposed of properly and design a poster to educate people about your chosen item.

Here is an example to help you think of some ideas. Can't wait to see your ideas St Ignatius.

A poster with a green header and footer. The header text reads 'You can RECYCLE all of these ITEMS from around your home' with a small red heart icon containing the text 'good to know'. The main image shows various household items on a grey surface against a white background with a ruler. A 'WANTED FOR RECYCLING' sign is on the left. A banner at the top right says 'THE UNUSUAL SUSPECTS'. The items include: Kitchen Cleaner (green spray bottle), Deodorant (pink spray can), Shampoo (blue bottle), Batteries (black pack), Cooking Sauce (white jar), Dishwasher Tablets (blue box), Toothpaste (blue tube), and Chocolates (round tin). The footer contains the 'recycle for london' logo, the website 'www.haringey.gov.uk/recycling' and 'www.veolia.co.uk/haringey', and the 'VEOLIA Haringey' logo.
