

St Ignatius

Catholic Primary School

In God's Hands

WELCOME

BACK TO
SCHOOL

At the end of this week, some of you will be coming back to school. We have missed you all so much and we are very much looking forward to seeing you all again and hearing about all of the learning and challenges that you have been completing at home.

When you return to school things will be different but all of the adults in school will help you to be safe and will take good care of you while you get used to this. We will make sure that we introduce all of the changes to you and discuss why we have put these in place.

You may not have your whole class with you but we are trying to make sure that you will be with adults and children that you know.

When you arrive at school please enter through the Anne Line gate. There are signs and arrows along the way to help you keep spaced out.

STAY SAFE!

Sensibly walk to
Briant playground.
You will line up in
your pod colours.
Each pod will enter
and exit through their
own door.

Some play equipment and entrances may have tape across them or be cordoned off to keep you safe.

You will be washing your hands thoroughly at regular times throughout the day

- when you arrive at school
- before and after break time
- before and after lunch time
- before you go home
- after coughing or sneezing
- after PE
- after you use the toilet

We have new signs and hand gel at each of the sinks for use at the start and end of the day.

<https://www.youtube.com/watch?v=cbX0xwKORjk>

In the classroom:
You will be given your own table
and chair for your 2 days at school

You will be using the equipment we have provided for
you (no sharing) which will be cleaned after your 2
days ready for you to use next week

All doors have been propped open to reduce unnecessary touching

Windows and bi-folding doors are open for good ventilation

Some of the displays are the same and some of the working walls will share the work you do in school.

Everyone will come into school wearing their own clothes. You will be given a school packed lunch. Please do not bring any belongings into school.

If you bring medications with you, they must be passed to your teacher who will keep them in class with you. Your parents must phone / contact the office to tell the staff about your medication.

You should not need to move out of your class 'pod' while in school.

We are looking forward to seeing you all!
