2 Holiday Fun

part of  
Capital City  
College Group

Cllr Mike Hakata

Cllr Zena Brabazon

## Summer 2021 – Play, Learn, Enjoy

This is the fourth year of our incredible summer activities holiday programme allowing children and young people to get active, socialise and connect. Never has this been more important. The restrictions of the last year have had a major impact on our young people and being able to get out and get active this summer is crucial in supporting and promoting their physical and mental health as well as overall wellbeing. With a packed programme of events across our leisure venues and parks, from music, drama and dance to athletics, basketball, football, boxing, gymnastics, swimming and much more, with inclusive disabled sessions, there is something for everyone. Not only that but a huge number of activities are free.

To make this happen, the council has supported and is teaming up with a range of local providers this year to host an extra special Summer Holiday Programme. A fantastic and diverse range of outdoor activities will be taking place in our splendid parks, running alongside our exciting People Need Parks initiative. The hugely popular £1.00 swim is back, and in our nine libraries you can take part in the Summer Reading Challenge. Our very youngest children can also enjoy library activities inside and out!

With additional activities provided through the Government's Holiday Activity and Food programme (HAF) this should prove to be our biggest and most inclusive

summer programme so far with safety very much at the forefront of our minds. Thankfully Haringey will have enough to offer this summer to ensure our children and young people can enjoy and thrive.

This year's highlights also include week-long sports camps and many hands-on activities such as bush crafts, and cooking; high-energy activities including boxing, dance, and swimming; creative sessions such as film making and art, and lots of other things to keep mind and body active.

All activities will adhere to the latest government guidance on hygiene measures and social distancing rules, that are easily implemented and managed during the ongoing COVID-19 pandemic.

You will find all the details in this guide, including times, dates, and locations, as well as information on how to book where necessary, and whether any fee applies. Additional events and activities can also be found online at [www.haringey.gov.uk/holiday-fun](http://www.haringey.gov.uk/holiday-fun). Have a great summer, and don't forget to share your highlights with us on social media using #IAMHaringey.

Cllr Mike Hakata

Cabinet Member for Environment, Transport and the Climate Emergency and Deputy Leader of the Council

Cllr Zena Brabazon

Cabinet Member for Early Years, Children and Families

Keep a safe distance, control  
the virus, save lives

## Safety Advice

It is important to be safe this summer,  
so consider the following:

**Bring your own hand  
sanitiser and labelled water  
bottle – do not share them!**

**Wear sunscreen, a hat/  
cap, loose fitting clothing  
and appropriate footwear**

**Anyone who is feeling unwell,  
or experiencing COVID-19  
symptoms, should stay home  
and self-isolate**

**Please note that there are no toilet facilities  
at many locations**

# Activities for children and young people

July - September 2021

## Inclusion rating

**This year each of our activities will have a coloured rating of what level of support they can provide for their participants. If you/your young person needs additional support, please use the guide below to better identify what level of support activities can provide. If unsure, please contact the provider for more information.**

## Key: Inclusion

- **Red:** We can support participants with low level needs who can manage themselves in large groups.
- **Blue:** We can support individuals that need some additional support and can adapt the activity appropriately. The participant will be expected to take part independently for most of the activity.
- **Green:** We can support individuals with higher levels of need, but cannot offer one to one support.
- **Yellow:** We can support individuals with high levels of need and can offer tailored support to the participant.

# Foster Care Fortnight 2021

**Fostering changes lives, both for those being fostered and foster carers.**

- Offer a loving home in or near Haringey
- Receive generous allowances
- You can be single people or a couple

# Do you have children?

## Top tips to keep them safe in WATER

- Teach your children **water safety** instructions
- Supervise your children in and around water
- **DO NOT** be distracted by your phone
- Be **ALERT** to ponds and pools when visiting other people's homes
- Take your **water safety** with you when you go to visit friends and family or on holiday
- Beaches can be busy and distracting. Stay together and keep an eye on your children at **all times**

At home babies and small children drown in the bath or in a garden pond or paddling pool

They can drown in just a few centimetres of water. Drowning happens silently

### In the GARDEN

Empty the paddling pool as soon as it has been used, then turn it upside down

Turn a pond into a sandpit or cover it while your children are little

Make sure your child cannot get to the neighbour's pond

Teach children and young people **water safety**

- to choose safe places to swim like public pools and beaches with lifeguards

Explain the dangers of swimming in open water

- strong currents, deep, cold water and things under the surface they cannot see

### In OPEN WATER or the SEA

Children and young people may think they are a stronger swimmer than they are or not understand the risks in the sea or open water

Teach children to swim between the red and yellow flags

- the areas patrolled by lifeguards

Do not use inflatables they can be swept out to sea when the wind is blowing

Swim in areas you know are safe and watch out for dangerous surf, tides and rip currents

### BATH TIME

Get everything you need ready before bath time. Stay with your baby or young child at **all times** when they are in the bath. **DO NOT** let young children or older children with medical conditions lock the door

Babies **SHOULD NOT** be left alone in a **BATH SEAT** as they can slip out

**DO NOT** ask your toddler to watch your baby while you pop out for a towel. It only takes seconds for a baby or child to drown

# Bruce Grove Youth Space Information

The logo for Youth Space, featuring the words 'Youth' and 'Space' in a white, stylized, hand-drawn font on a blue rectangular background. The background of the entire page is a blurred photograph of a young woman with red hair and braces, smiling.

## All sessions are free.

**For ages 10 to 19  
(up to 25 if SEND).**

### What is Bruce Grove Youth Space?

We like to think of the Bruce Grove Youth Space as a home-from-home. Young people of all backgrounds visit the centre and join in a wide range of activities, which helps to build strong connections within a positive community.

### What we offer

An inclusive environment, fun activities including sports, gaming, creative outlets – dance, music, drama, and most importantly an environment where you will be supported by our staff and volunteers.

### How to book?

Enjoy our Legendary free summer programme from Monday 26 July to Thursday 2 September. Check out our timetable online and book your place at [www.youthspace.haringey.gov.uk](http://www.youthspace.haringey.gov.uk). First come, first served!

So don't miss out on six weeks of fun every Monday to Thursday from 1pm to 9pm where parents are not allowed to stay in the building.

### Activities
