Summer Term July 2024

Mr Bonner's message

Dear Parents Carers

We have come to the end of another busy school year and it is time to bid farewell to our Year 6 pupils as they leave to begin their journey through secondary school.

We also send our best wishes to Ms Morgan and Ms Robinson who are moving on to the next stage of their careers. We also thank Ms Carla and Ms Rhoda who are also departing. I would like to sincerely thank them all for their years of service and dedication to our children and school community. Their hard work and willingness to seek life's next challenge is a great example to our Year 6 students and us all.

There have been a number of highlights this year: our wonderful class assemblies, Y1 Nativity, the Y6 leavers productions and the recent visit of Bishop John Sherrington.

I would also like to thank our governors and our parents; for your continued support and generous contribution to our school community.

Wishing you all a safe and peaceful summer break.

God Our Father

We thank you, for this school year.

For its challenges, our successes and the mistakes from which we have learnt.

We thank you for our classmates, teachers, parents and a community that cares for us.

During the holidays be with us as we spend our time with family and friends.

Give us strength and courage to do what is right: to be witnesses of our faith:

to appreciate what others do for us, to give time and effort to help others.

To be peacemakers in our family.

Keep us safe in our activities; give us peaceful rest and good fun.

Bring us back refreshed and ready for a new term.

Amen

“Aspire not
to have more,
but to
BE more”

New School times

IMPORTANT NEWS !!!

From September 2024, these are our new school times!

8.50am - 3.20pm

It is very important to us that our pupils attend school wearing the correct uniform.

From September 2024, pupils are expected to wear only black shoes to school - not black trainers.

Pupils should come to school with the correct PE kit.

This consists of a white t-shirt and black or blue shorts.

In the winter black or green jogging bottoms can be worn.

Attendance for Summer Term 2024

Thank you to all of you who have worked hard this year to ensure your children come to school every day that they are well.

These are our class attendance figures for this year! Well done to **6T** for achieving the best attendance data.

Our target attendance for the next year 2024 - 2025 is **96%**

Attendance Matters

Thank you to all our parents and carers who ensure you get your child to school on time.

A reminder that all pupils should be sitting in their classrooms by 8.50am - not walking in to school at this time.

Anne Line gate will close at 8.50am each morning so that pupils will need to come via the Nursery gate and sign in at the office to register their child's lateness and reason.

We will be monitoring this closely over Autumn Term 2024.

Please speak with school staff if you are experiencing difficulties getting to school on time.

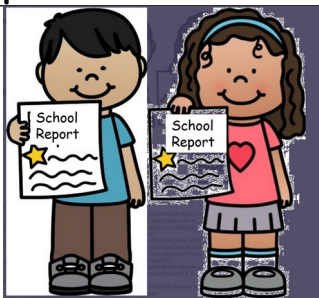

Classes Next Year

This year all our classes were named after **Shrines to Our Lady**

School Clubs

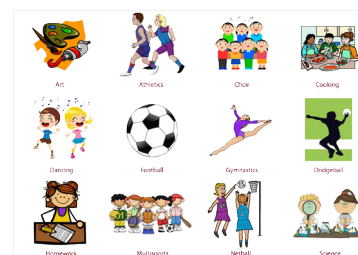

We hope your children have enjoyed the clubs that they have attended this year. From archery to gymnastics to football to multisports.

School Clubs will start again in the Autumn Term.

We will update you with what clubs will be running when we return.

Watch this space! 😊

Parents in school

Thank you to all the parents who attended our events in school over this term and year, including class assemblies, our Parent Maths Morning and also our Coffee mornings. It is good to welcome you in to school as an important part of our community - to be present with your children or just to have a chat with other parents. We will update you of the next dates for the Autumn Term when we return to school in the new school year.

Maths Money Week

This term, Year 5 and 6 took part in a Maths competition at Gladesmore Secondary School. They were competing against pupils from all over Haringey. They did really well and were rewarded with maths gifts and certificates.

Congratulations to all our 5H 'Sumdoggers' - and a special mention to Noah and Nadeek - who helped St Ignatius achieve the Overall Winner award in the London Maths Contest at Gladesmore School this month. A fantastic achievement!! 😊

Sports days

It was very hard this half term to plan a sports day, due to the unusually unpredictable and wet weather!

So classes just used opportunities, as dry weather arose, to have their class or year group Sports morning or afternoon in school.

What is your favourite race? Relay? Egg and Spoon? Obstacle race? Sprints?

What has been going on at school?

This term, many events, trips and activities have been taking place both in class, as part of the children's curriculum learning - as well as whole school and community events.

Below are just some, and a variety, of what has been going on this term!

Visit our school Dojo for more details of both School stories and Class stories!

Please use Class Dojo on a regular basis each week to stay in touch with your child's class teacher and what the class have been doing.
