Topic	BUGS! Well done with your topic work so far. We have looked at ants and plants, parts of a flower and why bees are vital to the growth of plants. You know how important the leaves are for a plant and you have hopefully had a go at the Now Press Play.	<p>Activity 1 - To compare two plants from different countries</p> <p>Choose one of the plants from List A and one of the plants from List B.</p> <p><u>List A (plants native to Britain)</u> Lavender Oak tree Cow Parsley Ivy</p> <p><u>List B (Plants native to Brazil)</u> Cacao Bromeliads Banana Tree Monkey Brush Vine</p> <p>Now find out the answers to the following questions. For each question find the answer for BOTH of your plants as this means you are beginning to compare them</p> <ol style="list-style-type: none"> 1) What kind of climate (weather system) does each plant need to grow? 2) How do each of the plants differ in appearance? 3) Are either of these plants providing food for anything? If so, what or who? 4) Is this plant poisonous at all? Why? <p>Challenge: draw both of your plants.</p> <p>Activity 2 - Now Press Play We did a little work on the rainforest before half term. The rainforest is home to amazing plants and bugs. Develop your understanding</p>

of the Amazon rainforest with this Now Press Play experience.

Log on to the Now Press Play website (the password is nowpressplay) and click:
