Topic	BUGS! Well done with your topic work so far. We have looked at ants and plants, parts of a flower	Just one activity this week year 3. I would like you to focus as much time as you can on making a really great non-fiction report. Include drawings/photos and lots of information in your own words.

and why bees are vital to the growth of plants. You know how important the leaves are for a plant and you have hopefully had a go at comparing plants from two different countries.

There will be a prize for the most informative and well presented reports.

Activity 1

LO: Research information about dolphins

Use the following websites to make a report about dolphins. The title of this report should be: Why are dolphins endangered. Use the following **subheadings** for your report.

Facts about dolphins

Where do dolphins live?

What do dolphins need to survive?

What is causing harm to dolphins.

What can you do to help?

You should include 2-4 pictures and remember to add **captions** to explain what the pictures are of.

Here are some websites to help with your research:

Remember to use your safe search skills when looking on the internet for information. Use Kidrex or type 'KS2' into your search.

Maths: Monday-Friday

Please click on the links below that will take you straight to the activities on White Rose Home Learning. For each lesson there is a

- Video
- Activity
- Answer Sheet

HOW TO USE THE LESSONS

Just follow these four easy steps...

1. Click on the set of lessons for your child's year group.
2. Watch the video (either on your own or with your child).
3. Find a calm space where your child can work for about 20-30 minutes.
4. Use the video guidance to support your child as they work through a lesson.
