Thank you to all of you who attended the PSA meeting earlier this week. There was a very encouraging response and it was great to see so many parents wanting to take part. The PSA is important because it aims to give you an opportunity to have greater involvement in the organisation of social and fund raising events for your children. We will inform you of the next stage in the process of forming the new PSA shortly. Also look out for news on our next community event 'Around the world in a Day'.
