

## ST JAMES CATHOLIC PRIMARY SCHOOL, HEBBURN

29<sup>th</sup> April 2026

Dear Parents and Carers

### DAVID ATTENBOROUGH IS 100!

On Friday 8<sup>th</sup> May we will be celebrating Sir David Attenborough's 100 years on planet earth. Sir David has worked tirelessly throughout his career by defining science and natural history broadcasting to change how we as humans see our planet.

The children are invited to come to school dressed as explorers on the day (non-uniform is fine if children prefer). Each class will take part in a project which will focus on one of the 7 continents, they will then present this project to their visiting explorers. Our explorers will be given a passport to travel around the 7 continents throughout the day to learn more about our world and how we can keep it safe.

We will enjoy an English picnic lunch together and games on the day. Please see the menu overleaf provided by Chadwick's kitchen and freshly prepared by our kitchen staff on the day.

We are excited to celebrate this extraordinary milestone and continue to be inspired by Sir David's curiosity and care for the natural world.

Yours sincerely

Mrs Heslop  
Headteacher

Mrs Francesca Heslop  
Headteacher
