Dear Parents and Carers,

St James' School Website

We're absolutely delighted to share that our school website has been updated and is now live! It's bright, welcoming, and full of everything you need to stay connected with our school community.

Our website makes it easier than ever to find what you're looking for. It includes term dates school letters and class information, including tips to help your child during each term, upcoming events, and notice boards. Our website celebrates all the wonderful things our children have been learning and achieving and links directly to our social media feed.

www.stjameshebburn.co.uk has been designed with our children and families in mind, it's simple to use and easy to navigate, we hope this ensures you never miss a thing.

We hope you love it as much as we do!
