As we end the week in a blaze of sunshine we are reminded of the athletes who took part in the London marathon on Sunday who ended their races in a blaze of glory! All the participants, whether elite athletes or fun-runners showed such determination in their training and during the race, facing unimaginable challenges but using their determination to succeed.

In Collective Worship this week we learnt about Mary Jones. As a young girl living in Wales over 200yrs ago she wanted to have her own Bible and like the Marathon participants she walked 26miles to be able to get one.

In a world where now everything seems instant and available it is hard to imagine that we would need to wait for anything. Waiting can sometimes feel difficult—whether it's waiting for our turn, for an answer, or for something special to happen. But waiting helps us grow. As a school community, we see this every day in our children—trying their best, showing kindness, and persevering in their learning. By waiting with patience and working with determination, we are following these important values together.

Enjoy a wonderful weekend everyone.

On Thursday this week, SJF were delighted to take part in this year's *Mini Marathon in Schools*. As you can see from the pictures, the pupils (and staff!) threw themselves in to the challenges of running up to 2 miles around the school field. From the youngest to the oldest, we were amazed at the stamina, determination and speed of our pupils—especially some of the youngest who clocked up double figures in their laps! A big SHOUT OUT and thank you, to Nick Orr from Sean McInnes Sports Coaching (SMSC) who supported us so brilliantly to take part in this fantastic event.

THE GOSPEL IN CHURCH Sunday 3rd May 2026

On the night before he died, Jesus spoke to his friends, the disciples. "Do not let your hearts be troubled," he said. "Trust in God and trust in me. There are many rooms in my Father's house, and I am going now to prepare a place for you. I will come again and take you with me so that where I am, you may be too. You know the way to the place where I am going." Then Thomas, a disciple, said, "Lord, we do not know where you are going: how can we know the way?" Jesus said, "I am the Way, the Truth and the Life. No one can come to the Father except through me. If you know me, you know my Father too. You must believe me when I say that I am in the Father and the Father is in me. I tell you most solemnly, whoever believes in me will perform the same works as I do myself; they will perform even greater works, because I am going to the Father."

Youth Club – A Real Plea for Help from St John Fisher Parents

We are reaching out especially to parents of **Yr5/ Yr6 children** with an urgent and heartfelt request.

As we look ahead to September, our youth club will be left with just one leader. Without additional support, this much-loved group, which has been running successfully for the past five years, may sadly have to come to an end.

We are desperately in need of **2-3 volunteers** to step forward and help run the group. No special experience is required, just a willingness to support and be part of something that means so much to the children and our wider church community.

Our hope is to continue meeting regularly, ideally every two weeks, but even a commitment of **once a month** would make a huge difference and could be enough to keep the club going.

This is a wonderful opportunity to help maintain a space where young people can connect, have fun, and grow together. It would be a real shame to lose it.

If you feel you could help, or would like to find out more, please get in touch as soon as possible with the parish office or contact **Rozz Jorge on 07908 202530**.

Thank you so much for your support.
