At long last the sings of Spring are here

It has been lovely to end the week bathed in some longed for sunshine—bringing a happy start to the weekend ahead.

There is no doubt, that with longer, lighter days and the various buds and plants slowing springing back to life, that winter is behind us.

In a brilliant class Collective Worship led by St. Helena class this week, the emerging spring daffodils took a very important role, as the children helped us to prepare for tomorrow's feast of St. David's Dav.

Through story and song, the children helped us to remember the importance of the works of St. David and, most especially, the very famous word he shared 'Gwnewch y pethau bychain mewn bywyd' meaning 'Do the little things.'

St. David believed that the people of Wales should do the small, considerate things that often make a big difference. St. Helena class certainly shared some fantastic examples of this with us as they listed the many 'little things' they do to bring help, joy and hope to others.

In our busy lives as we rush from place to place and job to job, it is often easy to forget that by 'doing the little things' - a smile, a hug, the offer of help—we really can make a difference to so many others.

I wish all of our families celebrating this feast tomorrow Dydd Gŵyl Dewi Hapus! Happy St. David's Day!

Enjoy a wonderful weekend everyone.

Wednesday 26th February Good News for Families TO GETHER TIME

1 Enjoy reading this Sunday's Gospel

Jesus told a parable to his disciples. "Why do you observe the splinter in your friend's eye and never notice the plank in your own eye? How can you say to your friend,

'Friend, let me take out the splinter that is in your eye,' when you cannot see the plank in your own eye? You hypocrite! Take the plank out of your own eye first, and then you will see clearly enough to take out the splinter that is in your friend's eye. A good tree cannot produce bad fruit, and a bad tree cannot produce good fruit. You can tell what a tree is like by the fruit it produces. You cannot pick figs or grapes from brambles. A good person does good things out of the good stored up in their heart; a bad person does bad things out of the badness in their heart. Your words show what is in your heart.

From the Gospel of Sunday 2rd March 2025 CF. Luke 6:39-45 (the 8th Sunday in Ord Time, Year C)

Which words stood out for you in this Gospel, and why? What does the picture make you think about? Now enjoy exploring this Wednesday's word, which is ACTION.

Hopefully you have all noticed our beautiful new **Green 'Living' Wall** outside St Francis Classroom. We were lucky enough to be successful in obtaining a grant to support this, from Crew Energy.

The benefit and outcomes of the installation are:

- ► Reduction in Air pollution
- ► Mental health benefits
- ► Access to green space
- ► Reduction in Climate/Heat risk

One the local councillors who supported previous installations by Crew Energy, stated:

"Green walls" have been shown to decrease toxic air and contribute to decarbonising by soaking up harmful gases in the atmosphere, they also provide aesthetically pleasing alternatives to a brick or cement wall, so improve and mental health and well-being."

Crew Energy have the approval of and interaction with the Air Quality Team spanning Merton and Wandsworth, who advocate and recommend the installation of living green walls as part of their Air Quality Audits carried out in schools.

We introduced the Green 'Living' Wall to the children in Collective Worship this week and talked about how it works and how we all need to take care of it. In order that we have a beautiful living wall that we can all admire and enjoy throughout the year.
