This week there has been much to celebrate with children's Mental Health week and today's Number Day which saw such a wonderful range of creative number based outfits filling the school. Thank you to all the parents and carers who supported their child to get creative with their numbers!

As we move in to the last week of this half term we are preparing for next weeks parent/teacher evenings (YrN-Yr5) with our usual Workshare Weekend arrangements for pupils in Yr1-Yr5.

We hope you enjoy spending time this weekend talking to your child about their work, their learning and celebrating all that they have achieved in the academic year to-date.

Enjoy a wonderful weekend everyone

## THE GOSPEL IN CHURCH Sunday 9<sup>th</sup> February 2025

When Jesus had finished teaching by the lakeside he said to Simon Peter, "Sail out into deep water and let down your nets." "Master," Simon Peter replied, "we worked hard all night long and caught nothing, but if you say so, I will let down the nets." And when he and his companions had done this they netted such a huge number of fish that their nets began to tear and they filled their two boats to sinking point. When Simon Peter saw this he fell at the knees of Jesus saying, "Leave me, Lord; I am a sinful man." For he and all his companions were completely overcome by the catch they had made. But Jesus said to Simon Peter, "Do not be afraid; from now on it is people you will catch." Then, bringing their boats back to land, they left everything and followed him.

# NUMBER DAY

## We had fun with our NUMBERS

### Children's Mental Health Week in St Nicholas

We energised our bodies by going on a virtual mountain bike ride - it was really fun and surprisingly tiring!

Then we calmed down with a mindfulness activity - creating our own Talavera tiles. These tiles have been being made in the city of Talavera in Central Spain since the 15th century
