

Sports Competition Dates Autumn 2025

At St John Fisher, we regularly take part in events and competitions organised by the Merton School Sports Partnership (MSSP). To ensure fairness, participants are selected in line with our Team Selection Policy (available on our school website). Below are the confirmed MSSP events, although we may occasionally receive invitations to additional events at short notice.

Please note that event and trial dates may change at short notice. We will always remind parents and carers about trials in the weekly headlines the week before. If your child is absent on the trial day, they will still be considered for selection in line with our Team Selection Policy. Pupils will be informed of team selections before parents and carers receive a letter.
